GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From E. J. SINKINSON, Esq., Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to the Government of Madras, dated Simla, 27th June 1890, No. 3115.

I am directed to acknowledge the receipt of your letter, No. 337 (Financial), dated the 1st May 1890, requesting that orders may be passed on paragraph 10 of letter from the Government of Madras, No. 1106, dated the 27th October 1886, in which definite proposals were made for giving effect to the recommendation of the Finance Committee regarding the travelling allowances of officers transferred from one station to another.

2. In reply, I am directed to say that the proposals submitted by the Government of Madras were fully considered with the opinions of other Local Governments on the general question raised by the Finance Committee in paragraphs 27 to 29 of their note, No. E-4 (a), and that Article 1205 of the Civil Service Regulations represents the final decision of the Government of India on that question. The decision was arrived at after very careful consideration, and the Governor-General in Council regrets that he is unable to re-open the matter with reference to the recommendations now made by the Board of Revenue and the Madras Government.

3. From the papers accompanying your letter under reply, it appears that the present reference originated in an objection taken by the Accountant-General, Madras, to orders passed by the Board of Revenue and Heads of Departments under Articles 1093 and 1094 of the Civil Service Regulations. In explaining the circumstances under which officers have been given the benefit of these rules and permitted to draw the cost of carriage of camp equipment and horses by rail or steamer in addition to their ordinary travelling allowance, the Board of Revenue have quoted the Resolution in this department, No. 1517, dated 20th June 1884, as showing that the intention of the Government of India was to leave a wide discretion in the matter to Local Governments. The Governor-General in Council considers that this contention is correct, and it has been decided to modify the terms of Article 1093, Civil Service Regulations, so as to bring it into more exact accordance with the Resolution of 1884. I am to enclose a copy of the Article, as amended, for the information of the Government of Madras, and to say that the Governor-General in Council trusts that the rule as now revised will sufficiently meet the special difficulty which has been hitherto felt by the Government in dealing equitably with the cases of its officers.

Copy, together with copy of the amended Article 1093 of the Civil Service Regulations, forwarded to the Accountant-General, Madras, for information.

(Signed) E. J. SINKINSON,
Secy. to the Govt. of India.

ENCLOSURE.

Civil Service Regulations, Page 284, Article 1093.

Substitute the following for this article:—

“ When the Local Government is satisfied that it is in the interests of the public service that an officer required to travel on public duty should send his horses or camp equipment or both by steamer or railway, it may, by special order in each case, permit him to recover, in addition to his authorised travelling allowance, the actual cost of their carriage including, whether separately charged for or not, the cost of conveyance of one syce and grass-cutter for each horse.”

ORDER—dated 22nd July 1890, No. 494, Financial.

Communicated to Departments of the Secretariat and the Board of Revenue.
