(Signed) A. M. HAYES,
Executive Engineer, Ganjam Division.

ORDER—dated 20th August 1890, No. 2255 W., Public Works.

With his letter above recorded the Superintending Engineer, I Circle, submits an application for modification of grants for estate works in the Ganjam division.

2. In the case of the marginally-noted estates the Superintending Engineer applies for additional allotments, and the Court of Wards will accordingly be requested to place the necessary amounts at the disposal of the Public Works Department.

3. The Superintending Engineer reports that the Utlam and Chinna Kimedi estates have been handed over to the proprietors and that only the expenditure already incurred has to be provided for. A sum of Rs. 34,635 or Rs. 42,601 inclusive of percentage charges as shown below will therefore be resumed and replaced at the disposal of the Court of Wards:—

	RS.
Utlam ..	19,695
Chinna Kimedi ..	14,940
Establishment ..	34,635
	7,966
Total ..	42,601

4. The Government is not satisfied with the explanation furnished for the large surrenders from the grants for the Chakapalli, Kallikot, Atagada and Jarada estates. If the requirements for these estates had been carefully estimated and budgeted for there should have been no necessity to surrender any grant on the plea that it could not be utilised. The following surrenders are, however, accepted and replaced at the

disposal of the Court of Wards, and the Government trusts that the budget estimates for the ensuing official year will be framed more accurately :—

Chakapalli	...	...	...	...	...	...	...	...	Rs.
Kallikót	...	...	...	...	...	...	...	...	875
and	...	...	...	...	...	...	...	...	
Atagadé	...	...	...	...	...	...	...	...	11,000
Jarada	...	...	...	...	...	...	...	...	9,650
Establishment	...	...	...	...	...	...	...	...	21,525
									4,951
Total	...	...	...	...	...	...	...	...	26,476

5. In his budget estimate for estate works for 1890-91 the Superintending Engineer applied for an allotment of Rs. 1,000 for the Turlipetta estate and the Court of Wards directed the Collector of Ganjam to place the amount at the disposal of this department. The Superintending Engineer now reports that no portion of the grant can be utilized and surrenders the whole amount. The Government cannot accept the surrender without sufficient explanation which should be furnished by the Superintending Engineer as early as practicable.

6. The receipt of the details referred to in para. 3 of the Superintending Engineer's letter will be awaited.
