20TH AUGUST 1890, No. 2257 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Military Works.

READ—the following papers :—

From the Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 18th March 1890, No. 362-Barrack.

A question having been raised as to whether Regimental Staff officers, serving at stations in which public quarters are provided by the State, like Secunderabad, are, or are not, entitled to be allowed subaltern's quarters for the accommodation of their offices, and, whether, if such are allowed, they should be charged rent for the same, or not, I am desired to solicit that the definite ruling of Government on these points may be obtained.

2. By the footnote to para. 125 of chapter XVI, section VI, of the Government of India Code of Regulations for the Public Works Department, 1880 (para. 1173 of chapter X of the Madras Public Works Code), it would seem that they are so entitled, but it does not appear whether, or no, rent is to be charged for such quarters, agreeably to the scale laid down in para. 132 *ibid*.

3. A somewhat similar reference, I am to observe, appears to have been made in 1873, through the Resident, Hyderabad, which elicited a ruling of the Government of India, as contained in O.G., No. 45, dated 3rd November 1873, to the effect that "Regimental Staff officers are not entitled to public offices." As the wording of this is somewhat ambiguous, inasmuch as it might be inferred that such officers have no claim to quarters, but might make use of such if not required for the accommodation of officers, or that the use of quarters for office purposes, can only be granted to the Staff officers, on their paying the prescribed rent for the same, and, moreover, as the ruling appears to be somewhat at variance with the footnote to para. 125 before quoted, I am to solicit that the decision of Government may be made more explicit, and to suggest that the above mentioned footnote may be amended accordingly, so as to obviate all misunderstanding, in the future, on the points now brought to notice.
