Registrar's office
Salem, 25 July 1890.

From

M. R. R. V. Radhakrishnanjan Arungal,
Registrar of Salem

To

The Inspector General of Registration
Madras.

Sir,

With reference to Proceedings G.O. No. 2908, dated 12 September 1889, requesting me to renew the subject of obtaining sanction of Government for procuring plan and estimate for the construction of a new building for the Sub Registrar's office Omalur, after knowing the results of 1889-90, I beg to submit herewith the Omalur Sub Registrar's letter No. 149, dated 24 Instant, praying for the same.

2. The office is now held in a rented private building at Rs 3-a month. There is no public building available for accommodation. The Executive Engineer has been entreating to that effect. From the Sub Registrar's letter it

it would be seen that the private building now occupied is a low old building, constructed of very slender materials, and fitted by the owner for the office with some improvements. After all, it is not safe and convenient for the office. The Sub Registrar reports that no entire other private building is available for rent.

3. The office was once in existence, closed in October 1879, and re-suscitated in April 1886.

4. The registrations, receipts & charges, of the office since its re-suscitation have been as follows:—

years	Number of Registrations	Receipts.	Charges.
1886 - 87	649	701	733
1887 - 88	841	842	850
1888 - 89	986	979	897
1889 - 90	937	1119	903
For 3 months of 1890 - 91	338	366	238

The office is in the way of fair progress, and I am confident that it will not go down. Under the circumstances, I beg to request

22/8.

request that you will be good enough to address Government, and procure sanction for preparing plan and estimate for the construction of a new building on the standard design for the accommodation of the office.

I have the honor to be Sir

your most obedient servant
(Signed) V. Radhakrishnan
Registrar.

I. No 327, dated, 3rd July 1890.
O. L. A. Command.

Submitted to Government with the recommendation that orders may be issued for the preparation of plan and estimate for an office building of the standard design for the Sub-Registrar of Omalur, in the Salem District.

2. The office was opened under the sanction granted in G.O. dated 10 December 1885, No 3354, Judicial, and it has since been progressing very

very fairly as will be seen from the statistics of registrations and receipts given in the Registrar's letter. It may now be considered to be on a stable foundation.
