READ—the following paper :—

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 4th August 1890, No. 2114.

The east bed room of the Collector's house at Chittoor, North Arcot district, became uninhabitable owing to the bad state of its roof from the 10th January 1890. The repairs to the roof were completed on the 16th May 1890. The bed room and adjacent small rooms affected by the repairs being equal to about one-fifth of the accommodation in the house and the Collector having claimed a proportionate reduction in the rent, I authorised the Executive Engineer to reduce the rent by one-fifth or Rs. 23 from 10th January until the room was repaired and made habitable. I have the honor to request that the sanction of Government may be obtained to the reduction of the rent as above stated from 10th January to 16th May 1890, such sanction being now required by the Examiner of Public Works Accounts.

Office-note from the Examiner, Public Works Accounts, dated 16th August 1890, No. 4944.
