Mr Bagley's name does not appear in the G. of I. classified list of subordinates & he has been 10 years in the settlement or the same out of boy. his appt. must be purely local. If it not being that any person 3rd grade subordinate will go for an increase of only Rs 50 per mensem he only holds 3rd grade in the II circle as per Bond, but as he is now 2nd grade temporary, it is not proper to put the question to S.E. II Circle (all — a reply has been received)
