Proceedings of the Board of Revenue

(Land Revenue),

Dated 14th August 1890.

No. 5730 Mis

Mr H. W. Bliss

READ

the following letter from the collector of Anantapur dated 4th August 1890 No $\frac{213}{13.2}$

I have the honor to again urge the early allotment of funds for the Taluk butcheris in this District. At Madaksira the roof of the Verandah has fallen in. At Hindupur there has been a considerable fall in the office itself. In neither case, fortunately was any one injured. Now, the Sub Division officer informs me that one wall of the Indpatri Kucheri is so much out of the perpendicular that probably the next heavy rains will bring it down. It is useless attempting repairs. Patching the roof means piling on more mud and

weakening

weakening the walls. The walls, the Engineer declines to touch for fear of bringing the whole structure down. There are no buildings save baidars' shops to be had on hire in any of these towns.

Resolution : — Submitted to Government with reference to G. O's dated 9th August 1889 No 687 and 27th September 1889 No 6155.

(2) The estimates ordered in the second G. O. have not yet been received. It is requested that orders may be issued for their early transmission.

(3) From the collector's present letter, it appears that the necessity for a new Taluk Office at Tadpatri is as urgent as that for those at Madatkira and Hindupur.
