Amiegun appears
to have got a return
of his old complaint
which he suffered
last year at Ooty
and is certainly
looking very unwell.
He has been attending
hospital for the
past week and says
that the medicines
do him no good.
I really cannot
advise what should
be done, but if he
should be ordered
to Madras, it is time
to request that
another attendant
may be telegraphed
for as none of the
boys here are of
any use to me
in refce work.

~~Chas~~ In regard to my
note to you yesterday
about attending
Congress. If it is
decided to order him
down to Madrid, I
shall find it really hard
to remain without
an attendant, but
the temporary man
Robert, about whom
I have informed you
already, appears
to be the only man
able to help me in
reference with ad
who has already
given a month's
notice to be relieved
of his work on the
1st proximo, is now
willing to remain
in office till we
close provided we

The only attendant
(reference piece) with the
office at only has been
sick with asthma for some
time, she now begs
permission to return to
Madras at once -

His son is very
ill, so he will not be
of much use here
in his present state, his
return is recommended
for sanction.

It will be necessary
to supply his place, but
it will not be worth
while to order up another
attendant from Madras
for the short time we
shall be here - warm
clothing & travelling expenses
will cost something con-
siderable.

We have another
warrant. a temporary person
who was engaged for the
season on Rs 8 per m.
This man can read English,
can do the work of
an attendant, but he
begs for Rs 2 extra
pay if he is to do the work.

can give him a
small addition to his
pay - I think this
will just help him
out of the difficulty
of getting his wages
relied, and if
you approve of
Halsbury being informed
that you have
consented to this
arrangement the
extra charge of
Rs 2/10 will be
paid from Contingencies
& charged to the
order.

his salary of Rs 8 is met from
the grant for temporary establishment,
being approved. The extra
Rs 2 might be paid from
contingencies. This would
be the cheapest way of
providing for the attendance
duties.

If the extra Rs 2
is to be charged to S. 11
an order of Govt. will be
required.

I think not. It will

long run to obtain a

The proposal is
certainly open to objection

Note for the Hon.

The reference
picked attached to the
office of the undersigned
as Dr. C. S. S. having
fallen sick, has had
to be ordered back to
Madras, & to supply
his place it is proposed
to increase the pay of
a temporary person from
Rs 8 to Rs 10. This tem-
porary person is the only
man capable of performing
the duties of attendance,
the permanent person being
ignorant of English.

If another attendance
be ordered up from
Madras for the short
remaining period of
the day on the hills, the
extra cost will be as
