100—1-12-89.

Kistna Eastern Division.

7. *Bungalow with stables on Orr's Hill at Bezváda.*—The bungalow itself was vacant throughout the year, but three out of five stalls of the stables attached to the bungalow were rented from April 1888 by Mr. Wynch, Chairman of the Bezvádá Municipality, to whom a monthly rent of Re. 1 per stall was charged and the rent was recovered only in June 1890. The Executive Engineer, Kistna Eastern Division, has been asked to estimate the capital cost of the portion occupied by Mr. Wynch and to calculate rent accordingly.

8. *Superintending Engineer's residence at Bezvádá.*—The normal rent of this building being Rs. 97, the Superintending Engineer Mr. Hannan has hitherto paid only Rs. 88 per mensem (*i.e.*, 8 per cent. of his salary), on the erroneous assumption that the rent of any Government building should not exceed 8 per cent of the salary of the occupant. His attention has been drawn to Code rule 1041-I (5), and he has been asked to pay rent at Rs. 97 per mensem (the normal rent) with arrears from 1st April 1889, or to submit the case at once for the orders of Government, and this has probably been done by now.

Kistna Western Division.

9. *Temporary Divisional Office at Duggerálla.*—The monthly rate of rent entered in column 13 of the statement is the rent of the whole building, but only a portion is occupied by the Hospital Assistant as residence, the rest being used as a Department of Public Works Hospital. The Executive Engineer concerned has been asked to separately estimate the capital value of the portion occupied as residence and to fix the rent accordingly.

Nellore.

10. (*a*) *Collector's bungalow at Nellore and Kistnapatam, (b) Assistant Superintendent's bungalow at Ongole, (c) Hill Bungalow at Ongole.*—The normal rents of these buildings being Rs. 148, 29 and 19 per mensem, the rents actually recovered have been Rs. 120, 27 and 16 per mensem, respectively. The Superintending Engineer concerned has been requested to instruct the Executive Engineer, Nellore Division, to raise rents and to recover the differences. The cost of repairs on Hill Bungalow at Ongole has been high.

11. *Sub-Collector's bungalow at Ongole.*—The normal rent of this building calculated on the basis of the capital cost and actual cost of annual repairs is (as entered in column 18 of the statement) Rs. 54 per mensem, but the rent actually recovered has been Rs. 60 per mensem, with reference to the Government of India letter No. 460 B., dated 28th November 1889, printed with G.O., No. 3488 W., dated 7th December 1889.

Bellary.

12. *St. Clair's bungalow at Hospet.*—The normal rent of this building being Rs. 29 per mensem, the rent actually recovered is only Rs. 21-8-0 per mensem. The Superintending Engineer concerned has been requested to instruct the Executive Engineer, Bellary Division, to raise the rent at once and to recover the difference from the date the new rules came into force, viz., 1st April 1889.

Nilgiri.

13. *Quarters near Stone House, Gotacamund.*—The normal rent of this building is Rs. 20, whereas rent is actually being recovered at Rs. 17-12-10 per mensem. The Superintending Engineer concerned has been requested to arrange for the recovery of the difference.

Coimbatore.

14. *Portion of the Divisional Office at Hustumputty.*—The cost of repairs during the year seems high.

15. (*a*) *Collector's residence at Salem, (b) Police Assistant Superintendent's quarters at Tirupatúr.*—The normal rent of these buildings being Rs. 110 and 33, respectively, the actual recoveries were at the rate of Rs. 98 and 31 per mensem only. The Superintending Engineer concerned has been asked to raise the rents and to recover the differences.

West Coast Division.

16. *Sub-Collector's residence at Tellicherry.*—The normal rent of this building being Rs. 55 per mensem, rent is actually being recovered at Rs. 52 per mensem. The Superintending Engineer concerned has been requested to revise the rate of rent and to recover the difference.

17. *Chaplain's room at back of Church, Malapuram.*—This room was only casually occupied by one Lieutenant Inglis who was charged rent at Rs. 12-8-0 per mensem, which, however, was not recovered during the year. The Executive Engineer has been asked to state the authority for this rate of rent. His reply has not yet been received.

18. *Bungalow at site of the new Collector's office at Calicut.*—The Executive Engineer has not furnished this office with particulars regarding capital cost of this building. He states that this is only a small building on the site of the Collector's office, Calicut, for which compensation was paid by the Revenue Department and that the building is to be dismantled soon. The building is in temporary occupation by the Accountant of the West Coast Division who pays rent at Rs. 6 per mensem. The subject of the rent payable is now before Government.

19. *Vakils' chambers at Pálghat.*—Three rooms only were occupied and rent was recovered at Rs. 1-10-0 for each room, with reference to No. 494 W.C., dated 15th July 1889, from the Superintending Engineer, IV Circle. The Executive Engineer has not furnished information regarding capital cost of this building.

North Arcot.

20. *General's bungalow at Ranipet and Jailor's quarters, Chittoor.*—In the case of these buildings, the rent actually recovered is less than that shown in the statement (Rs. 35 and 13 as against Rs. 61 and 15 per mensem, respectively). The Superintending Engineer concerned has been requested to instruct the Executive Engineer to raise the rents at once and to recover the differences from the occupants from 1st April 1889.

South Arcot.

21. *Assistant Superintendent's bungalow at Tirukóilúr.*—The transactions relating to this building during the year under report results in a net loss of Rs. 243. This is due to the rent for the months October 1889 to March 1890 not having been recovered, and also to the charges for repairs being high. The normal rent of Rs. 48 per mensem (based on the revised rules) has been charged by the Executive Engineer to the occupant from 1st April 1890, Rs. 41 per mensem having been charged during 1889-90. The Superintending Engineer concerned has been requested to point out to the Executive Engineer, South Arcot Division, that the revised rules have effect from 1st April 1889, and to instruct him to recover the difference. The Executive Engineer reports that the occupant Mr. Sullivan, Assistant Superintendent of Police, refuses to remit the amount, pending settlement of the question of the rent to be charged for the building.

22. *Revenue bungalow and bungalow of Range Officer at Tindivanam.*—In the case of these buildings also, the revised rates of rent (based upon the new rules) were charged only from 1st April 1890. The Superintending Engineer's attention has been drawn to this and he has been requested to instruct the Executive Engineer, South Arcot Division, to recover the difference from 1st April 1889.

Presidency Division.

23. (*a*) *Portion of High Court building occupied by Government Solicitor, (b) A room in Old Boundary Town wall, Rávapuram.*—The Consulting Architect, who is at present in charge of these buildings, has been requested to furnish information regarding capital cost of the occupied portion, the Executive Engineer, Presidency Division (which is now abolished) not having furnished the same.

Madura.

24. *Sub-Divisional Officer's bungalow at Uttamapoliem.*—Rent at Rs. 10 per mensem was recovered during the year, the normal rent being Rs. 15 per mensem. The Executive Engineer concerned has been requested to state whether only a portion of the building is occupied, and, if so, to estimate the capital cost and normal rent of the portion occupied as a residence.

Tinnevelly.

25. *Range Office bungalow at Shermádevi.*—This building was occupied from 1st June to 10th August 1889 by Mr. H. E. Clerk, Executive Engineer, from whom, however, no rent has, as yet, been recovered. The matter is under correspondence.

26. *Sub-Collector's bungalow at Tuticorin.*—The cost of repairs to this building during the year seems high.

27. *Head Assistant Collector's bungalow at Shermádevi.*—In G.O., No. 615 W., dated 26th February 1890, Government fixed the rent of this building at Rs. 20 per mensem with reference to cost of repairs only, as the construction of the building cost Government *nothing*, the building being a free gift from Sir Vere Levinge for the use of the Divisional Officers at Shermádevi.

Consulting Architect.

28. *Four rooms in the basement and six rooms in the floors of the new Telegraph Office, Madras.*—The normal rent of this building being Rs. 105 per mensem, the rent actually recovered is Rs. 93 per mensem. The Consulting Architect has been requested to raise the rents and to recover the differences from 1st April 1889, the date on which the new rules came into force.

CLASS II.

20. *Police Inspector's house at Vayitri, School of Arts bungalow at Madura, Police Inspector's quarters at Chittoor, residence of the Assistant Superintendent of Police at Kumool.*—The cost of repairs to these buildings during the year 1889-90 seems high.

CLASS IV.

Presidency Division.

30. The capital outlay and normal rents of this building in this division are not given for want of information regarding the same from the Consulting Architect to Government who has been requested to give the particulars, the Executive Engineer of late Presidency Division not having furnished the same.

South Arcot Division.

31. *Government House, Manjakuppam.*—This building is now occupied by the present Collector and Special Agent free of rent under the authority of G.O., No. 677, dated 4th June 1890. With reference to Government of India Resolution, recorded in Proceedings, No. 1808 W., dated 25th June 1889, the sanction of that Government will be required to the arrangement entered in the Public Department under which no rent will be charged for the above building until the next permanent incumbent takes charge of the district (*vide* G.O., No. 1808 W., dated 1st July 1890).

IRRIGATION.

CLASS I.

32. *Ralli rest-house.*—The normal rent of this building was calculated on the basis of the actual cost of repairs, which, in the case of this building, far exceeded the 3 per cent. limit. The actual average cost of repairs including the share of establishment and tools and plant (20 per cent.) was Rs. 349 and the rent calculated on this amount and capital cost is Rs. 41 per mensem. But the rent actually recovered during the year was at Rs. 27 per mensem. The Superintending Engineer has been requested to instruct the Executive Engineer concerned to modify the rate of rent and to recover the difference from the officer concerned from the date the new rules came into force, viz., 1st April 1889.

Kistna Eastern Division.

33. *Executive Engineer's residence at Bezwáda.*—This building was only completed for occupation during the latter part of the official year. It was occupied from 11th January 1890 by the then Executive Engineer Major Langley, R.E., at a monthly rental of Rs. 72 with reference to G.O., No. 659 I., dated 1st November 1888. This officer, however, occupied the building for only 29 days and then it was taken up by his successor Mr. Jopp who now pays rent at Rs. 60 per mensem which is equivalent to 10 per cent. of his salary.

Gudiváda Division.

34. *Executive Engineer's bungalow with out-houses at Gudiváda.*—The rate at which rent is actually being recovered is Rs. 31 per mensem, while the normal rent is Rs. 32 per mensem. The Superintending Engineer has been asked to instruct the Executive Engineer to recover the difference from the party concerned from the date the new rules came into force, viz., 1st April 1889.

Buckingham Canal.

35. *Temporary shed for the Municipal office at Shadayanoippam lock.*—The normal rate of rent being Rs. 2 per mensem the rent actually recovered is only Annas 6. In this case also the Superintending Engineer has been asked to instruct the Executive Engineer to recover the difference.

Coimbatore.

36. *Sub-Divisional office bungalow at Bavâni.*—The transactions of this building result in a net loss of Rs. 27 owing to the cost of repairs being rather high. The building was destroyed by fire in December last (*vide* G.O., No. 166 W., dated 28th January 1890).

No. I Periyár.

37. The financial results of the buildings in this division cannot be stated pending receipt of information regarding capital cost, &c., from the Executive Engineer.

CLASS III.

No. I Periyár.

38. *Supervisor's quarters, small.*—The recovery of Rs. 6, rent shown against this building, is the amount paid by Overseer Ramasawmy Iyengar for the period he occupied the building. This building is at present occupied by Apprentice Overseer Sergeant Price free of rent under Code para. 103.

CLASS V.

39. The buildings under class V, excepting those shown against Kurnool and No. I Periyár Division, are occupied by Lock superintendents, Lock lascars and other servants, for whose occupation they were specially constructed with the sanction of Government.

No. I Periyár Division.

40. *Mechanical Engineer's quarters at Tunnel Hill.*—This building has been occupied by Mr. B. J. Mathews, Machine-man and Tunneller, since August 1889 and rent to the extent of Rs. 90 was recovered during the year. But the Government of India having in their No. 40 B., dated 3rd February 1890, sanctioned the grant of rent-free quarters to this individual so long as he is employed on the Periyár Project Works, the amount already recovered will be refunded to him.

Imperial Military.

41. The cost of repairs for the following buildings seems high :—

(1) Staff Sergeant's quarters in the Vellore Fort, 1st set quarters.
(2) Do. do. 2nd do.
(3) Do. do. 3rd do.
(4) Do. do. 4th do.
(5) Quarters for Sergeant Instructor, Malabar Volunteer Rifle, Tellicherry.
(6) Sergeant Instructor's quarters, Vayitri.

42. With the exception of the buildings in the West Coast, Coimbatore and Trichinopoly Divisions, all the Imperial Military buildings in the other divisions have since been transferred to the Military Works Branch.

43. The capital outlay and normal rents of the buildings in the Presidency Division are not given as particulars regarding them were not furnished by the Executive Engineer, late Presidency Division.

44. The occupation of buildings under class IV, free of rent, requires the sanction of the Government of India under Code para. 1041, rule IV, except for the south gate guard room, Bellary Fort, occupied by Blue Ribbon Army and Gospel Temperance Union, for which Indian sanction exists (G.O., No. 1764 W., dated 14th June 1888).

ORDER—dated 8th September 1890, No. 2417 W., Public Works.

With his office-note above recorded, the Examiner, Public Works Accounts, submits the capital and revenue accounts of buildings rented or available for rent for the year 1889-90.

2. In the statement of Provincial buildings, the net revenue receipts under class I are entered as Rs. 17,080, not Rs. 16,904 as stated by the Examiner in para. 1 of his report. The net receipts, therefore, fall short of the interest on capital outlay by Rs. 1,082, which is not unsatisfactory, considering that some of the buildings were unoccupied for the whole or portions of the year.

3. With reference to para. 6 of the Examiner's report, the Hospital Assistant at Dowlaishweram has been * permitted to pay the lower rate of rent under the provisions of rule VI, para. 1041, † Public Works Code.

* G.O., No. 2284 W., dated 22nd August 1890.

† G.O., No. 842 of 1889.

4. A report from the Superintending Engineer, II Circle, on the subject of para. 8 of the Examiner's report is awaited.

5. With reference to para. 11, it is observed that the rent of the Sub-Collector's bungalow at Ongole was, with the sanction of the Government of India, fixed at

Rs. 60 per mensem on the understanding that the amount calculated according to Code rule was in excess of that figure. It now appears that the normal rent should be Rs. 54 per mensem, and the Superintending Engineer, II Circle, will submit a full report on the subject.

6. The Superintending Engineer, V Circle, will submit a special report on the subject of para. 21, and a report from the Superintending Engineer, VI Circle, relative to para. 25 will be awaited.

7. The arrangement referred to in para. 31 has been sanctioned by the Government of India in its letter, No. 229 R., dated 28th July 1890 (G.O., No. 2180-W., dated 11th August 1890).

8. The attention of the Superintending Engineers concerned is drawn to the Examiner's remarks regarding cases in which rents have been incorrectly assessed and in which the expenditure on repairs has been high.

9. The rents of all buildings will be re-calculated in accordance with Government of India Standing Order No. 235, of 14th June 1890, which will shortly be embodied in the Madras Public Works Code.

10. The sanction of the Government of India will be requested to the occupation rent-free of buildings included in class IV in all cases in which such sanction has not already been accorded.

11. Copies of these Proceedings will be forwarded to the Government of India in the Public Works and Military Departments, the statements of Provincial and Irrigation buildings being transmitted to the former department and that of Military buildings to the latter.

(Here enter No. 2418, W., dated 8th September 1890.)

IV

Madras Presidency

Report to accompany the Capital and Revenue Accounts of Government buildings let or available for rent as provinces during 1889-90.

Provincial

1. The net revenue receipts of buildings under Class I amount to Rs 16904 and fall short of the interest on the capital cost at 4 per cent by only Rs 1258. This result seems fairly satisfactory taking into consideration that some of the buildings were ~~vacant~~ vacant during the whole of the year and others were occupied only for a portion of the year.

2. The occupation of buildings under Class IV, free of rent (excepting those in the Presidency Town which are apparently covered by Code para 1043) requires the sanction of the Government of India under Code para 1041 Rule IV.

3. In calculating the rents of buildings 20 per cent has been added to the cost of construction and also to the cost of repairs on account of Establishment and Tools and Plant. This rate has been approved by the Government vide G.O. No. 3741-W. 4/27-11-88

The rents of buildings will however have to be recalculated with reference to the recent Standing Order to the Government of India Code, Volume I Chapter XI para 28 (Standing Order No. 235 dated 14th June 1890)

4. The following remarks are offered with reference to the buildings noted below.

Class I

Godavari Eastern Division

5. Bungalow on Sappers Hill – The transactions of the building

building result in a trifling loss owing to the high cost of repairs.

6. Quarters for Hospital Assistant at Bowlaishwaram.

The normal rent of this building is Rs 6 per mensem but recovery was actually made during the year at Rs 5 per mensem. The Superintending Engineer concerned has been requested to instruct the Executive Engineer Godavari Eastern Division to modify the rate of rent and to recover the difference from 1st April 1889, the date on which the new rules came into force.

Kistna Eastern Division

7. Bungalow with stables on Orr's Hill at Bezwada.

The bungalow itself was vacant throughout the year but three out of five Stalls of the stables attached to the bungalow were rented from April 1888 by Mr Wynch, Chairman of the Bezwada Municipality to whom a monthly rent of Rupees per Stalls was charged and the rent was recovered only in June 1890. The Executive Engineer Kistna Eastern Division has been asked to estimate the Capital cost of the portion occupied by Mr Wynch and to calculate rent accordingly.

8. Superintending Engineer's residence at Bezwada.

The normal rent of this building being Rs 97 the Superintending Engineer Mr Hannan has hitherto paid only Rs 88 per mensem (i.e. 8 per cent of his salary) on the erroneous assumption that the rent of any Government building should not exceed 8 per cent of the salary of the occupant. His attention has been drawn to Code rule 104-I (5) and he has been asked to pay rent at Rs 97 per mensem (the normal rent) with arrears from 1st April 1889, or to submit the case at once for the orders of Government, and this has probably

probably been done by now.

Kistna Western Division

9. Temporary Divisional Office at Duggerilla. The monthly rate of rent entered in column 18 of the statement is the rent of the whole building, but only a portion is occupied by the Hospital Assistant as residence, the rest being used as a D.P.W. Hospital. The Executive Engineer concerned has been asked to separately estimate the capital value of the portion occupied as residence and to fix the rent accordingly.

Nellore

10. (a) Collectors Bungalow at Nellore and Kistnapatam
(b) Assistant Superintendents bungalow at Ongole
(c) Hill Bungalow at Ongole.

The normal rents of these buildings being Rs 143, 29 and 19 per mensem the rents actually recovered have been Rs 120, 27 and 15 per mensem respectively. The Superintending Engineer concerned has been requested to instruct the Executive Engineer Nellore Division to raise rents and to recover the differences. The cost of repairs on Hill Bungalow at Ongole has been high.

11. Sub Collector's Bungalow at Ongole. The normal rent of this building calculated on the basis of the capital cost and actual cost of annual repairs is (as entered in column 18 of the statement) Rs 54 per mensem, but the rent actually recovered has been Rs 60 per mensem with reference to Government of India letter No 460 R dated 28th November 1889 printed with Ry C. No 3488 W. dated 7th December 1889.

Bellary

12. Sir Blairs Bungalow at Hospett. The normal rent of this building being Rs 29 per mensem the rent actually

recovered

recovered is only Rs 21-8-0 per mensem. The Superintending Engineer concerned has been requested to instruct the Executive Engineer Bellary Division to raise the rent at once and to recover the difference from the date the new rules came into force viz: 1st April 1889.

Nilgiri

13. Quarters near Stone House Potacamund. The normal rent of this building is Rs 23 whereas rent is actually being recovered at Rs 17-12-10 per mensem. The Superintending Engineer concerned has been requested to arrange for the recovery of the difference.

Coimbatore

14. Portion of the Divisional Office at Pollachy. The cost of repairs during the year seems high.

15. (a) Collector's residence at Salem (b) Police Assistant Superintendent's Quarters at Tripatur. The normal rents of these buildings being Rs 110 and 35 respectively the actual recoveries were at the rate of Rs 93 and 31 per mensem only. The Superintending Engineer concerned has been asked to raise the rents and to recover the differences.

West Coast Division

16. Sub Collector's residence at Tellicherry. The normal rents of this building being Rs 55 per mensem rent is actually being recovered at Rs 52 per mensem. The Superintending Engineer concerned has been requested to revise the rate of rent and to recover the difference.

17. Chaplain's room at back of Church, Malapuram. This room was only casually occupied by one Lt Inglis who was charged rent at Rs 12-8-0 per mensem which however was not recovered during the year. The Executive Engineer has been asked to state the authority for this rate of rent. His reply has not yet been received.

18. Bungalow at site of the new Collectors Office at Calicut. The Executive Engineer has not furnished this office with particulars regarding capital cost of this building. He states that this is only a small building on the site of the Collector's Office, Calicut for which compensation was paid by the Revenue Department and that the building is to be dismantled soon. The building is in temporary occupation by the Accountant of the West Coast Division who pays rent at Rs 6 per mensem. The subject of the rent payable is now before Government.

19. Vakils Chambers at Palghat. Three rooms only were occupied and rent was recovered at Rs 1-10-0 for each room with reference to No 404 W.C. dated 15th July 1879 from the Superintending Engineer 4th Circle. The Executive Engineer has not furnished information regarding capital cost of this building.

North Arcot

20. Generals Bungalow at Ranipett and Jailor's quarters, Chittore. In the case of these buildings the rent actually recovered is less than that shewn in the statement (Rs 35 and 13 as against Rs 61 and 15 per mensem) respectively). The Superintending Engineer concerned has been requested to instruct the Executive Engineer to raise the rents at once and to recover the differences from the occupants from 1st April 1889.

South Arcot

21. Assistant Superintendent Bungalow at Trukoilur. The transactions relating to this building during the year under report results in a net loss of Rs 243. This is due to

th

the rent for the months October 1889 to March 1890 not having been recovered and also to the charges for repairs being high. The normal rent of Rs 48 per mensem (based on the revised rules) has been charged by the Executive Engineer to the occupant from 1st April 1890, Rs 41 per mensem having been charged during 1889-90. The Superintending Engineer concerned has been requested to point out to the Executive Engineer South Arcot Division that the revised rules have effect from 1st April 1889 and to instruct him to recover the difference. The Executive Engineer reports that the occupant Mr Sullivan, Assistant Superintendent of Police refuses to remit the amount pending settlement of the question of the rent to be charged for the building.

22. Revenue Bungalow and Bungalow of Ranga Officer at Tindivanum. In the case of these buildings also the revised rates of rent (based upon the new rules) were charged only from 1st April 1890. The Superintending Engineer's attention has been drawn to this and he has been requested to instruct the Executive Engineer South Arcot Division to recover the differences from 1st April 1889.

Presidency Division

23. (a) Portion of High Court Building occupied by Government Solicitor

(b) A room in old boundary town wall Royapuram.

The Consulting Architect who is at present in charge of these buildings has been requested to furnish information regarding capital cost of the occupied portion, the Executive Engineer Presidency Division (~~who~~ which is now abolished) not having furnished the same.

Madura

24. Sub Divisional Officer's Bungalow at Uttamapolaiam. Rent at Rs 10 per mensem was received during the year, the normal rent being Rs 15 per mensem. The Executive Engineer concerned has been requested to state whether only a portion of the building is occupied and if so to estimate the capital cost and normal rent of the portion occupied as a residence.

Tirunelly

25. Range Office Bungalow at Sherunadevi. This building was occupied from 1st June to 10th August 1889 by Mr H. C. Clerk Executive Engineer, from whom however no rent has as yet been recovered. The matter is under correspondence.

26. Sub Collector's Bungalow at Tuticorin. The cost of repairs to this building during the year seems high.

27. Head Assistant Collector's Bungalow at Sherunadevi. In G. O. No 615 W. dated 26th February 1890, Government fixed the rent of this building at Rs 20/- per mensem with reference to cost of repairs only as the construction of the building cost Government nothing, the building being a free gift from Sir Vere Levinge for the use of the Divisional Officers at Sherunadevi.

Consulting Architect

28. Four rooms in the basement and six rooms in the floors of the new Telegraph Office Madras. The normal rent of this building being Rs 105 per mensem, the rent actually recovered is Rs 93 per mensem. The Consulting Architect has been requested to raise the rents and to recover the differences from 1st April 1889, the date on which the new rules came into force.

Class II

29. Police Inspectors house at Vayalur
School of Arts Bungalow at Madras
Police Inspectors quarters at Chittoor
Residence of the Assistant Superintendent of Police at Ramnad

The cost of repairs to these buildings during the year 1889-90 seems high

Class IV

Presidency Division

30 The Capital outlay and normal rents of the building in this Division are not given for want of information regarding the same from the Consulting Architect to Government who has been requested to give the particulars the Executive Engineer of late Presidency Division not having furnished the same

South Arcot Division

31. Government House Nunjakuppam This building is now occupied by the present Collector and Special Agent free of rent under the authority of G. O. No. 677 dated 8th June 1885. With reference to Government of India resolution recorded in Proceedings No. 1668 W dated 25th June 1889 the sanction of that Government will be required to the arrangement authorised in the Public Department under which no rent will be charged for the above building until the next permanent incumbent takes charge of the District vide G.O. No. 1808 W. dated 1st July 1890.

Irrigation

Class I

Rolli Rest house

32. The normal rent of this building was calculated on the basis of the actual cost of repairs which in the case of this building for exceeded the 3 per cent limit. The actual average cost of repairs including the share of Establishment and Tools and Plant (20 per cent) was Rs 349 and the rent calculated on this amount and capital cost, is Rs 41 per mensem. But the rent actually recovered during the year was at Rs 27 per mensem. The Superintending Engineer has been requested to instruct the Executive Engineer concerned to modify the rate of rent and to recover the difference from the officer concerned from the date the new rules came into force, viz 1st April 1889.

Kistna Eastern Division

Executive Engineers residence at Bezwada

33. This building was only completed for occupation during the latter part of the official year. It was occupied from 11th January 1890 by the then Executive Engineer Major Langley R.E. at a monthly rental of Rs 72 with reference to G.O. No 659 I. dated 1st November 1888. This officer however occupied the building for only 29 days and then it was taken up by his successor Mr. Jopp who now pays rent at Rs 60/- per mensem which is equivalent to 10 per cent of his salary.

Gudivada Division

Executive Engineer's Bungalow with outhouses at Gudivada

34. The rate at which rent is actually being recovered is Rs 31 per mensem while the normal rent is Rs 32 per mensem

monsoon. The Superintending Engineer has been asked to instruct the Executive Engineer to recover the difference from the party concerned from the date the new rules came into force viz 1st April 1889.

Buckingham Canal

(4) Temporary Shed for the Municipal Office at Shadayaneppan Lock

35. The normal rate of rent being Rs 2 per monsoon the rent actually recovered is only annas 6. In this case also the Superintending Engineer has been asked to instruct the Executive Engineer to recover the difference.

Coimbatore

Sub Divisional Office Bungalow at Bavur

36. The transactions of this building result in a net loss of Rs 27, owing to the cost of repairs being rather ~~very~~ high. The building was destroyed by fire in December last vide G.O. No 166 W, dated 20th January 1890

No I Periyar

37. The financial results of the buildings in this Division cannot be stated pending receipt of information regarding capital cost &c from the Executive Engineer.

Class III

No I Periyar

Supervisors quarters Small

38. The recovery of Rs 6 rent shewn against this building is the amount paid by Overseer Ramasawmy Iyengar for the period he occupied the building. This building is at present occupied by apprentice Overseer Sergeant Price free of rent under Code para 103.

Class V

39. The buildings under Class V excepting those shewn against Kurnool and No 1 Periyar Division are occupied by Lock Superintendents, Lock Lascars and other servants for whose occupation they were specially constructed with the sanction of Government.

No 1 Periyar Division

Mechanical Engineers Quarters at Tunnel Hill

40. This building has been occupied by Mr B. J. Mathews, Machine-man and Tunneller since August 1889 and rent to the extent of Rs 90 was recovered during the year. But the Government of India having in their No 40 B. dated 3rd February 1890 sanctioned the grant of rent free quarters to this individual so long as he is employed on the Periyar Project works the amount already recovered will be refunded to him.

Imperial Military

41. The cost of repairs for the following buildings seems high:

(1) Staff Sergeant quarters in the Vellore Fort 1st Set quarters
(2) ——— do ——— do ——— 2nd ——— do ———
(3) ——— do ——— do ——— 3rd ——— do ———
(4) ——— do ——— do ——— 4th ——— do ———
(5) Quarters for Sergeant Instructor Malabar Volunteer Rifle, Telicherry
(6) Sergeant Instructors quarters, Vayitri

42. With the exception of the buildings in the West Coast, Coimbatore, and Trichinopoly Divisions all the Imperial Military Buildings in the other Divisions

Lane

have since been transferred to the Military Works Branch.

43. The Capital outlay and normal rents of the buildings in the Presidency Division are not given as particulars regarding them were not furnished by the Executive Engineer late Presidency Division.

44. The occupation of buildings under Class IV, free of rent requires the sanction of the Government of India under Code para 1041 Rule IV except for the South Gate guard room, Bellary Fort occupied by Blue Ribbon Army and Gospel Temperance Union for which Indian sanction exist. G.B.No 1764 W dated 14th June 1888.

F. Morrison

Offg. Examiner of P.W. Accounts, Madras

No. 2417/90 Secretariat Department

PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

UNDER date the 8th September 1890

READ the following

Office note from the Examiner P.W. Accounts (H.E. No. 4923 d/16.VIII.90)

With his office note above recorded the Examiner P.W. Accounts submits the capital and revenue accounts of buildings rented or available for rent for the year 1889-90.

2. In the statement of Provincial B buildings, the net revenue realized under class I are entered as Rs 17,080 as Rs 16,904 as stated by the Examiner in para

1 of the report. The
net receipts therefore
fall short of the interest
on capital outlay by
Rs 1082, which is not
unsatisfactory considering
that some of the buildings
were unoccupied for
the whole or portions
of the year.

3. With reference to
para 6 of the Examiner's
report, the Hospital
Assistant at Pavlashwaram
has been permitted to * G.O. No. 2284 War. 22 August 1892
pay the lower rate of
rent under the provisions
of rule VII para 10 × 41 × G.O. No. 542 of 89
P.W. Code.

A report from the
Supdg Engineer II Circle
on the subject of para 6

12 of the Examiner's report
is awaited.

5. With reference to
para 11, it is observed
that the rent of the
Sub Collector's bungalow
at Ongole was, with
the sanction of the
Government of India,
fixed at Rs 60 per
mensem on the under-
standing that the
amount calculated
according to code
rule was in excess
of that figure. It now
appears that the
normal rent should be
Rs 54 per mensem, and
the Supdg Engineer II Circle

will submit a full report on the subject.

6. The Supt. Engineer V Circle will submit a special report on the subject of para 21, and a report from the Supt. Engineer VII Circle relative to para 25 will be awaited.

7. The arrangement referred to in para 31 has been sanctioned by the Government of India in its letter No. 229 P dated 28th July 1890 (G.O. No. 2185 W dated 11th August 1890).

8. The attention of the Supt. Engineers concerned is drawn to the Examiner's remarks regarding cases in which rents have been incorrectly assessed, and in which the expenditure on repairs has been high.

9. The rents of all buildings will be recalculated in accordance with Govt. of India Standing Order No. 235 of 14th June 1890, which will shortly be embodied in the Madras P.W. Code

10. The sanction of the Government of India will be reported to the occupation rent-free of buildings included in Class IV in all cases in which such sanction has not already been accorded.

11. Copies of these proceedings will be forwarded to the Govt of India in the Public Works and Military Depts, the statements of Provincial and Irrigation buildings being transmitted to the former Department and that of military buildings to the latter.
