Executive Engineer
Coimbatore Division

To

The Superintending Engineer
4th Circle, Coimbatore

Sir,

With reference to your
memorandum N^o $\frac{687}{C. 91}$ dated 23
August 1890, I have the honor to
report the cause of delay in the
submission of Estimate of Stores
required from England and the
statement of expenditure on
English stores:-

1st The whole office establish-
ment of the late Nilgiri Division
office having been transferred
to the Military Works Branch, there
was not a single clerk in this
office acquainted with the re-
cords of the late Nilgiri Division
office, I had therefore to call for

an estimate from the sub divisional officer Nilgiris.

2nd This estimate was received from him on the 3rd July 1890 in an incomplete shape, and the accounts of the year 1889-90 had to be examined thoroughly to ascertain the outlay incurred on several description of English stores. This was done and the complete estimate was submitted on the 12th July 1890.

2. I regret very much for the delay in the submission of the statements in question.

I have rec. yr.
