READ—the following paper:—

From C. J. LYALL, Esq., C.I.E., Officiating Secretary to the Government of India, Home Department (Police), to the Chief Secretary to the Government of Madras, dated Simla, the 11th August 1890, No. 2 Pol.—606.

The Government of India having recently had under consideration the procedure for the grant of leave to Military officers subject to the leave rules for the Staff Corps, holding appointments in the Civil department the tenure of which is limited to a definite period, and who are referred to in note 3 to Article 42 (e), Civil Service Regulations, have decided that in future such officers are to be granted leave in or out of India by the Local Governments and Administrations under whom they may be serving.

The leave should be stated to be granted under the leave rules for the Staff Corps and must be notified in the local Gazette, the only exception being in the case of leave out of India, when the leave granted will be published by the Military Department of the Government of India, or of Madras or Bombay, according to the Presidency to which the officer may belong.

In every case of the grant of leave to the officers in question by the Local Governments and Administrations, a report should be made to the Military Department of the Government concerned, and in the case of leave out of India, the whole of the officer's leave papers (including the Medical Board's proceedings when the leave is on medical certificate) should be forwarded with the report.
