Read—the following paper:—

From H. B. GRIGG, Esq., C.I.E., Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Courtallam, 22nd August 1890, No. 127.

I have the honor to forward, for the information of Government, copy of a letter from the Chief Engineer, Cochin, to the Dewan reporting serious erosions along the coast north and south of the port of Cochin, and to request that the matter may receive early attention.

Enclosure.

From H. W. HUDSON, Esq., M. Inst. C.E., Chief Engineer, Cochin Government, to the Dewan of Cochin, Ernacoolam, dated Trichoor, 16th August 1890, No. 992.

I have the honor to suggest that the British Resident should be communicated with in order that the attention of the Madras Government may be drawn to the serious erosions taking place along the coast north and south of the port of Cochin. In my opinion a committee of Engineers and others should assemble at Cochin, at an early date, to examine and report on the state of the coast, as well as to suggest what remedies should be taken for its protection and to discuss whether the remedies would be likely to affect the bar and port of Cochin.

Referred to the Public Works Department.

Ootacamund,

(Signed) J. F. PRICE,
Chief Secretary.

Order—dated 13th September 1890, No. 2453 W., Public Works.

His Excellency the Governor in Council does not consider it desirable at present to appoint a committee to examine the erosion of the coast near Cochin.

2. The Superintending Engineer, IV Circle, will visit Cochin at an early date and report on the facts of the case. On receipt of this report, the question as to the necessity of appointing a committee will be considered.

3. The Resident will be informed accordingly in the Political Department.
