We are asking the Govt. for an addl. grant of Rs 50000 under Provl. Reserve, which will be probably given —

Please send up as soon as possible a list of unexpended grants with which we can provisionally claim when funds become available - I can then draft an order at once distributing as much of the entire grant as may be necessary —

Making certain — from the sum of Rs. 1,13,500 surrendered from the current year's grant for the new High Court buildings.

C.A.W.

I do not think it advisable to get any additional grant from the Financial Dept as the long Architect is about to report that nearly a lakh of Rs can be resumed from the grant for the new High Court. The current year's grant under Provincial is quite unusually large and the progress of expenditure upto this date shows that there will probably be a large lapse at the end of the year. If the grant is increased by obtaining an additional allotment from the Financial Department, the chances of a large lapse at the end of the year will be greater.

The works for which allotments are necessary are as follows:—

	Rs
1 Civil Buildings, Minor Works Architects Division	2,000
2 Dy Tahsildar's office at Kondakur	4
3 Additions to the General Hospital at Madras	8,990
4 Taluk office at Chandragiri	
5 Do at Wandewash	
6 Do at Kudligi	2354
7 Teacher's College at Saidapet	30,000
8 Residence for the Head Assistant Collector at Koppet	9/2454
9 Reconstructing 10 police huts at Moolapet	490
10 Civil Orphan Asylums Buildings (The papers are at Ooty)	2570

Funds have been provided to be provided on receipt of estimates for items 4, 5, 7 & 8

As regards item 2, the S.E. has been requested to report the amount required

In a sanctioning estimate for item 3, the amount was provided provided later in the year. (G.O. No. 2238 A, 15-8-90 in proc. S. Estimate and have been asked to submit for funds for items 6 & 7.

The papers connected with items 2, 4, 5, 6, 7, 8 & 9 are herewith put up.

The above demand can be met from the existing grant by re-appropriation
