My dear Colonel $\frac{2}{2455}$

On 24th July I sent an application
to the Chief Engineer, Madras for an extension of furlough,
up to date. I have received no reply and a few days ago
they knew nothing about it at the India Office. I am
getting anxious as if by some mistake the leave is not
granted. I must leave England at very short notice as
my furlough will expire on 1st Dec^r. I asked for four

months extension which would carry me on to end
of March when some fellows will probably be going
home and you will have no difficulty in finding a
place for me. I have always served in Telugu Districts
(Bellary & Godavari) except for a few months in the Nilgiris
so I hope you will be able to send me to a Tamil
Division to get experience of the way of doing business
south of Madras. If any application for furlough has
unhappily I hope you will kindly let me know
by return post mail. My health has greatly improved

lately. The Doctors were all wrong. for 13 years they
had been treating me for malarial fever and the truth
has only recently been discovered.

Yours sincerely

C.B. Jenderson
