To The Secretary to the
Government of Madras,
Public works Department.

Simla the 21st August, 1890.

Sir,

With reference to your endorsement No. 2132 W dated the 6th instant, forwarding an estimate for £5516. 7. 2½ on account of stores required from England for the Public works Department Madras during 1891-92, I am directed to request that the estimate may be completed as early as possible. I am at the same time to observe that the amount of the estimate submitted appears to be very small compared with the actual expenditure in England on stores for the last 3 years, as follows.

1887-88	£ 10,564
1888-89	" 17,870
1889-90	" 20,896

and to request some explanation of the small provision now made.

I have the honor to be,
Sir,
Your most obedient Servant,
