In reference to his letter No. 131 of the 18th June/90, has the honor to state that it appears from the statement which accompanied the Dn. Officer's letter No. 67 dated the 14th May/90, that Delta Supt. K. Atchutaramiah's wife had obtained possession of the land at Pamulaparru in 1889 - so the reason given by him for non-entry of this land in the annual land statement, cannot but be considered unsatisfactory. The lands as soon as they came into his wife's possion, though they may have not ~~been~~ entered in the Revenue accounts in her name, should have been included in in the annual statement. The Delta Superintendent should be warned that a repetition of similar irregularity will probably lead to serious consequences.
