CHIEF SECRETARIAT MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Presidency Port Officer, Madras.
dated 2nd August 1890 No. 137/386 Q.

I have the honor to forward in original for the consideration and orders of Government the papers marginally noted (to be returned) having reference to an application from Mr. W. S. Carlyon, Port Officer, Pamban, for remission of house rent for the period from 17th January to 6th February 1890 when he was called away from Pamban on special duty in connection with the Pearl Fishery, as also for a reduction in rent in view of a portion of the house being utilized for the office.

I think it only fair that when the Port officer is not in actual possession of the portion of the house allotted for his use, some concession should be made in regard to the house rent he has to pay. On the other hand it would be hardly fair to call upon

Letter from Port Officer, Pamban, to Presidency Port Officer, No. 532/73 of 29th April 1890 and 1 enclosure.
Copy of letter from Presidency Port Officer to Executive Engineer, Madura, No. 137/55 of 7th May 1890.
Letter from Executive Engineer, Madura, to Presidency Port Officer, No. 352 etc of 22nd July 1890 and enclosure.

upon the officer who was in charge of the office during Mr. Carlyon's absence to pay as the rent itself per mensem amounts to more than the charge allowance admissible to that officer. Under the circumstances, I beg to recommend that Mr. Carlyon be exempted as a special case from payment for the period above mentioned, but should the Government not see fit to allow this exemption, I submit it would be a fair charge on the Revenue Department as it was in the interests of that Department that Mr. Carlyon was absent from Pamban for the period for which he has been called upon to pay rent.

2. A portion of the building in question being used for the Port office, I submit also that Mr. Carlyon has a fair claim to proportionate reduction on the rent fixed – The Executive Engineer is of opinion that Rupees (6) Six, may be fixed on the portion used for the office, but in view of Mr. Carlyon's remarks in para 1 of his letter to the Executive Engineer dated 5th June 1890 I would recommend that the rent be reduced by Rupees 10.

Order: – 27th August 1890 – No. 319.

Mr. Carlyon cannot be exempted from payment of rent for the period in question the Revenue Department will be moved

to reimburse him the amount viz: Rs 22-5-6 in consideration of the circumstances under which he was absent from Pamban.

2. The question whether the Port officer, Pamban, may charge rent for the portion of his residence used as an office, and, if so, at what rate, will be considered in the Public Works Department.
