OFFICE NOTE No. 5754.

To

W.

I beg to submit the following case
for the orders of Government.

2. W.Venkatareddi Naidu Sub Engineer
2nd.Grade permanent Rushikulya Project
Division has been employed in the Mad-
ras P.W.Department continuously since
1st.May 1884 to 21st.August 1889onwhich
latter date,he was brought on per-
manent strength of the Upper Subordi-
nate Establishment as Sub Engineer 2nd.
Grade. A statement of the several ap-
pointments held and the pay drawn by
W.Venkatareddi Naidu from 1st.May 1884
is enclosed.

3. On appointment to the permanent establishment from 22nd. August 1889, the Executive Engineer Rushikulya Division in which W. Venkatareddi Naidu is at present employed was asked to furnish health and vaccination certificate required under Code para 50 and Appendix T, para I, and also information as to whether he was a thrown out hand etc. From replies received, it was gathered that W. Venkata-

reddi Naidu was employed previous to his appointment in Madras, in the Bengal P.W.D., that his services there were dispensed with on reduction of establishment with the pension and gratuity admissible to him under the rules.

4. As the information furnished by the Executive Engineer Rushikulya Division was incomplete, a reference was made to the Examiner P.W. Accounts Bengal to ascertain

(a) Whether Venkatarreddi Naidoo was employed in the Bengal P.W.D. and if so, in what capacity.

(b) the circumstances under which Venkatarreddi Naidu's connection with the Bengal P.W.D. ceased, whether owing to reductions of 1879-80 & if so, the rate of pension and the amount of special gratuity paid to him, and

(c) whether the retirement if under the terms of the Government of India Financial Resolution No. 2079 dated 31st. July 1879 was voluntary or compulsory.

5. The Examiner P.W. Accounts Bengal replied vide his letter No. 5821 of 26th. June 1890 copy attached that Venkatarreddi Naidu was employed in the Bengal P.W.D. as an Overseer Ist. Grade from 7th. November 1872 to 31st. August 1873 and as a Supervisor 2nd. Grade from 1st. September 1873 to 7th. November 1879; that his connection with the

Bengal P.W.D. ceased owing to reductions of 1879-80 and that he voluntarily retired on a pension of Rs. 230 per annum which on a medical certificate was capitalized for a lump sum of Rs. 4092-12-2 together with a bonus of Rs. 1,050.

6. As Venkatarreddi Naidu has been re-entertained in the Madras P.W.D. on pay more than that drawn by him previous to his retirement on 7th. November 1879, he should have ceased drawing his pension from 1st. May 1884 and refunded the special gratuity received by him vide article 573(a) and (b) of Civil Service Regulations but as he had capitalized his pension, a deduction of Rs. 230 per annum or Rs. 23-5-4 per mensem on account of pension together with Rs. 52½ per annum or Rs. 4-8-0 per mensem equal to 5 per cent per annum on the special gratuity (Rs. 1,050) received by him or Rs. 27-II-4 per mensem in all should have been made from date of re-appointment viz 1st. May 1884. This however was not done as the fact of Venkatarreddi Naidu being a thrown out hand retired under the Resolution of the Government of India Financial Resolution No. 2079 dated 31st. July 1879 was not known to this office until very recently vide also code para 462 and Civil Service Regulations article 564. The total amount due from Venkatarreddi Naidu from 1st. May 1884 to 30th. June 1890 at Rs. 27-II-4 per mensem is Rs. 2,050-3-8.

7. The Executive Engineer Rushikulya Division was asked in my letter No. 4111 dated 11th. July 1890 to call upon the Sub Engineer to refund the above sum of Rs.2,050-6-8 and to deduct monthly commencing from his salary for July 1890, a sum of Rs.27-II-4 per mensem. His reply to the effect that the Sub Engineer is unable to refund the lump sum of Rs.2,050-6-8 and that the Sub Engineer may be permitted to pay it by deductions from his salary at the rate of Rs.27-II-4 per mensem in addition to the further monthly refund of Rs.27-II-4 per mensem making a total recovery of Rs.55-6-8 per mensem.

8. If the request of the Sub Engineer is granted, it will take 74 months to effect complete recovery of the sum of Rs.2,050-6-8, I beg to be favored with early orders of Government as to the rate of the monthly instalment at which the recovery should be made. Attention is however drawn to Civil Account Code volume I, chapter II, section 2, rule 3 with reference to which recoveries of the present kind are ordinarily made at one-third salary.
