READ—the following paper :—

From H. W. FOSTER, Esq., Officiating Registrar of the High Court of Judicature, Appellate Side, to the Chief Secretary to Government, dated Madras, 4th August 1890, No. 1810.

I am directed to forward, for the sanction of Government, the accompanying plans (in a separate packet) and estimate, which have the approval of the High Court, for the construction of a District Munsif's Court-house at Tirupati, in the district of North Arcot, at a cost of Rs. 17,650.

Approved and transferred to the Public Works Department.

(Signed) A. BUTTERWORTH,
Assistant Secretary.

27th August 1890.

ORDER—dated 17th September 1890, No. 2485 W., Public Works.

The estimate, amounting to Rs. 17,650, for constructing a District Munsif's Court at Tirupati in the North Arcot district is sanctioned.

2. Provision is made in the estimate for a latrine, but, as it appears that there is a latrine in the same compound belonging to the Sub-Magistrate's office, it will be considered in the Judicial Department whether the latrine provided in the estimate is required.

3. This sanction has been registered as Provincial No. 52 W. of 1890-91, and classified as Civil Buildings, Original Works.

NOTE OF REMARKS.

Judicial Deptt regarding the Water supply & Latrine will be W.W.J. 7-9-90 The accompanying plans & estimate, the latter amounts to Rs 17,650, provide for constructing a District Munsifs Court House at Tirupati in the North Arcot Distt.—

The estimate is divided as follows

(1) Court House — Rs 17,040
(2) Latrine —— " 610

Total Rs — 17,650

The building is to be constructed in accordance with the Standard designs circulated with G.O. dt 1098 W dt 21st April 1884—

It is stated in the report that the new Court House cannot be constructed

+ The foundations have been prepared to suit the soil and bay of the land & the height of the basement has been increased from 2'6" to 4'—

on the site of the old building, as enquired by the Registrar of the High Court. the enquiry of the ground being insufficient, it was therefore found necessary to purchase ## land East of the present Court house at a cost of Rs 346 and added it to it.

It is stated that the existing building is to be demolished and the materials sold by auction but no provision is made in the Estimate for doing so. now it is duly provided for demolishing the building.

It is explained that there is a latrine in the same compound belonging to the Sub Magistrate's Cutcherry and that it is doubtful if another is required.

The judicial Dept has not agreed this remark.

The particulars of constructions are as follows.

The foundations are to be of concrete.

The basements walls are to be built with burnt stone in mortar and pointed with Chunam.

The floor of the main building is to be of Cuddapah slabs 2" thick laid on a bed of concrete 4" thick.

The latrine is to be floored with 3/4" cuddapah laid on 4" of concrete.

The roof of the main building is to be of mangalore tiles with teak rafters, battens and purlins, and ceiled with teak boards.

It might be better to use cedar wood or any other jungle wood for the ceiling, as there are no rates for ceiling in the schedule

B/2485

for the north arcot Division with which the rates in the Dist. might be compared -

The roof of the Cutcherry will consist of pan tiles, bamboo rafters supported on jungle wood trusses.

It may be well to substitute tiles & any jungle wood rafters for bamboo rafters as the latter perish very soon -

As far as can be directed this rate is fair

Contingencies and Petty Supervision were provided for at 5% & 2½% respectively

The plinth area of the main building is 4,978 Sq.ft. and will cost Rs 3-4-6 per Sq.ft. Excluding of Compensation for land, Contingencies Workshop Cutcherry, Trainy & Cartage -

The plans and Estimate have been countersigned by the Dist. Judge, and approved by Govt. in the preliminary Depts. -
