READ the following :—

Letter No. 897-A, dated 27th February 1890, from the Inspector-General of Military Works.

Military Department Resolution No. 698-M-W, dated 13th March 1890.

RESOLUTION.—The procedure to be adopted in the preparation of budget estimates of expenditure on Military Works having come under consideration in connection with the recent extension of the Military Works Department, the Government of India have determined to follow in the whole of India and in Burma the system hitherto in force in the provinces to which the Military Works Department has for many years been extended.

2. The Inspector-General of Military Works will therefore include in his schedules of demands and in his budget estimates all works wherever estimated to be carried out by the Military Works Department.

3. Similarly Local Governments and Administrations will submit schedules of demands and budget estimates in respect of the military works to be undertaken by the Public Works Department of each province. This involves no change of procedure in the provinces in which the Military Works Department has been established from many years past, but the adoption of the same procedure in the provinces to which it has been lately extended.

4. The preliminary schedules of demands for the ensuing year (1891-92) should be submitted so as to reach the Government of India without fail on the 1st October.

ORDER.—Ordered that the foregoing be communicated to the Local Governments, Administrations and officers noted in the margin for information and guidance to—

The Government of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab in the Public Works Department.
The Chief Commissioners, Central Provinces, Burma and Assam.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India and Rajputana.
The Inspector-General of Military Works.
The Accountant-General, Public Works Department.

By order,
