To

The Chief Engineer
P.W.D.

Sir,

I have the honor to bring to your notice that the works noted in the margin sanctioned in G.O. No 3641W of 21st December 1889 were intended to be carried out by convict labor and that in consequence it was assumed that a material reduction in the cost of works might be effected, but now the Superintendent of the Central Jail reports that only cooly labor is available and I therefore request you will be good enough to permit the work to be executed by free labor.
