CHIEF SECRETARIAT MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers:—

Endorsement of the Public Works Department, dated 8th August 1890, No. 589 A.—

And letter from the Director of Public Instruction, Madras, dated 29th August 1890, No. 8992.—

With reference to Endorsement No. 589 A, dated 8th instant, requesting me to state whether Messrs Barrie & Co's premises are likely to be required in connection with an extension of the School of Arts, I have the honor to inform you that in the opinion of the Superintendent of the School—an opinion which I see no reason to question—it is not advisable to purchase the premises referred to, there being ample land attached to the school for any extension, that is likely to be required for very many years.—

Order:—8th September 1890, No. 622.

The letter from the Director of Public Instruction will be communicated to the Public Works Department.—
