Copy of letter No. 36 dated Kurnool 11th June 1890 from D. R. Weld Esquire District Judge Kurnool to the Executive Engineer Kurnool division Kurnool.

1/2517

In reply to your letters Nos. 84 and 217 dated the 26 April and 11th June 1890 respectively, I have the honor to inform you that I have written to the High Court suggesting the location of the Markapur Munsiff's court at Gundlapad instead of at Markapur that the High Court referred the matter to the District Collector for his opinion and that he has suggested that as the question of the location of the Deputy Collector and the 1st class Magistrate of the Cumbum division at Gundlapad is tentative, the question of the location of the Munsiff may also be left tentative and that it need only be decided that whatever station is finally selected for the Deputy Collector, the same may

be selected for the Markapur Munsiffs

I concur in the Collector's opinion and have sent on his letter to the High Court. It will probably be decided accordingly and it will not be necessary to build a court at Markapur at once but as probably an estimate prepared for a court at Markapur would be equally well for one at Kandlapad or elsewhere, perhaps you may as well get the estimate ready.

No 891

Submitted to the Chief Engineer P.W.D. with a request to be informed whether the estimate for a Munsiffs court at Markapur should be kept in abeyance till it is decided whether the court is to be located there or elsewhere.
