No. 321 S.C. North Arcot Division Office

1/253 3rd September 1890.

From

the Executive Engineer
North Arcot Division

To

The Superintending Engineer
Trichy.

Sir.

I have the honor to request that you will apply to the Chief Engineer for permission for me to visit the works at the Peryaur Project in Madura on duty— Judging by the recent report by the Chief Engineer a visit to the site of the dam must be very instructive and as I was employed on the Peryaur Project in 1871 and 72. I naturally take an interest in the works there.

I should propose visiting the works in the latter part of October and should probably be away from my Division about 10 days.

I have the honor &c.

(Signed)— C. C. Rawson Major R.E.
Executive Engineer
N. Arcot Dn.

No. 2719

Forwarded to the Chief Engineer P. W. Department with recommendation that sanction be given to Major Rawson's visiting the Peryaur Project Works under Article 72 Civil Service Regulations
