GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper:—

From Colonel E. H. EYRE, Officiating Quartermaster-General, to the Secretary to Government, Public Works Department, dated Ootacamund, 9th September 1890, No. 416 M.W.

I am desired by His Excellency the Commander-in-Chief to forward, for submission to Government, the schedules of military works requirements for stations in this Presidency, which continue to remain under the control of the Public Works Department, in connection with the Imperial Military Works budget estimate of the ensuing financial year. The schedules of requirements of all other stations in this Presidency which have been placed in charge of the Military Works Department, have been forwarded to the Superintending Engineer, Madras Command Military Works, for transmission to the Inspector-General of Military Works.

2. The works have been classified in the usual manner, those enumerated in the class C list being such major works as are required in addition to those printed in the schedule circulated with the final issue of the current years' budget, as it will stand after the works enumerated in list D have been removed from it. Similarly the list (E) will be understood to show what minor works are required in addition to those of the list at pages 8—13 of appendix to G.O., No. 2730 W. of 30th September 1889, as it will stand after the works enumerated in list E have been eliminated therefrom.

3. The only major work entered in the class A list, for which presumably an allotment will be required during the coming year, is that of constructing new barracks with subsidiary buildings at Calicut, for the commencement of which a grant of Rs. 20,000 has been provided this year, and I am to express the hope that it may be found possible to provide the required accommodation at Calicut before the close of the official year 1891-92. No allotments are proposed for the marginally noted items, as the balance of the estimates for their completion being small, will, it is understood, be provided from the amount that will be held in reserve by Government for incomplete major and minor works.

	Rs.
Transport lines at Calicut: erecting a verandah to the north face of each of the two bullock and cart sheds—*vide* G.O., No. 1492 W., dated 28th May 1890	1,240
Re-roofing the Military Hospital at Vizianagram—*vide* G.O., No. 449 W., dated 11th February 1890	1,275

4. The only work entered in the class B list, for which an allotment of funds is proposed, is that of constructing a shed for transport animals at Malapuram, for which it is hoped a grant will be secured, it being very desirable that cover should be provided for the animals at an early date.

ORDER—dated 29th September 1890, No. 2560 W., Public Works.

Ordered that the schedule of requirements for 1891-92, on account of military works in charge of the Public Works Department, be forwarded to the Government of India, Military Department.

2. An estimate, amounting to Rs. 31,560, for constructing barracks with subsidiary buildings for the accommodation of 30 men at Calicut was submitted to the Government of India for approval with letter No. 1339 W., dated 12th May 1890. An allotment of Rs. 20,000 has been provided for the work in the current year's Military Works budget estimate, and provision is now made in the schedule for the balance of the estimate, viz., Rs. 11,560.

3. An allotment of Rs. 2,824 has been entered in the schedule against item No. 2 "Constructing a shed for transport animals at Malapuram," as the Quartermaster-General reports that it is very desirable that cover should be provided for the animals at an early date.

4. All the works under Class C brought forward by the Quartermaster-General have been included in the schedule with the exception of the following, each of which is a minor work and forms a separate project of itself :—

	RS.
(1) Quarters for 8 men of the Army Hospital Native Corps, Calicut ...	1,900
(2) Quarters for 7 men of the Army Hospital Native Corps, Malapuram	1,670
(3) Constructing quarters for the hospital purveyor at Cannanore ...	1,326
(4) Quarters for hospital purveyor, West Hill Barracks, Calicut ...	1,163
(5) Quarters for hospital purveyor, Malapuram	1,250

5. Provision has been made in the schedule for all the minor works brought forward by the Quartermaster-General and also for those referred to in para. 4 of these Proceedings.

6. The allotments for 1891-92 required for the undermentioned works will be provided from the reserve with the Government for incomplete major works :—

	RS.
(1) Erecting a verandah to the north face of each of the two bullock and cart sheds in the Transport lines at Calicut	1,240
(2) Re-roofing the Military hospital at Vizianagram	1,275

7. The Superintending Engineers concerned will lose no time in submitting for sanction plans and estimates for the unsanctioned works included in the schedule.

8. The demands on account of Ordnance works have not been included in the schedule, and it is presumed that a special grant will as usual be provided for those works on the application of the Director-General of Ordnance.

(Here enter No. 2561 W., dated 29th September 1890.)

QUARTER MASTER GENERAL'S OFFICE,
Ootacamund,
4th September 1890.

It is requested that the heading, number, and date of this communication may be quoted in any subsequent correspondence on this subject.

No. 416 MW

From

COLONEL E. H. EYRE,

OFFG. QUARTER MASTER GENERAL,

To

THE SECRETARY TO GOVERNMENT,

Public Works ~~MILITARY~~ DEPARTMENT.

SIR,

I am desired by His Excellency the Commander-in-Chief, to forward for submission to Government, the schedules of Military Works requirements for stations in this Presidency, which continue to remain under the control of the Public Works Department, in connection with the Imperial Military Works Budget Estimate of the ensuing financial year. The schedules of requirements of all other stations in this Presidency which have been placed in charge of the Military Works Department, have been forwarded to the Superintending Engineer Madras Command Military Works, for transmission to the Inspector General of Military Works.

2. The works have been classified in the usual manner those enumerated in the Class C list being such major works

as

as are required in addition to those printed in the schedule circulated with the final issue of the current years budget, as it will stand after the works enumerated in list D have been removed from it. Similarly the list (E) will be understood to show what minor works are required in addition to those of the list at pages 8–13 of Appendix to G. O. No. 2730 W of 30 September 1889, as it will stand after the works enumerated in list E have been eliminated therefrom.

7.

3. The only major Work entered in the Class A list for which presumably an allotment will be required during the coming year, is that of constructing new Barracks with subsidiary buildings at Calicut, for the commencement of which a grant of Rs 29,000 has been provided this year

and I am to express the hope that it may be found possible to provide the required accommodation at Calicut before the close of the official year 1891/92.

Transport lines at Calicut
Erecting a verandah to the north face of each of the 2 bullock & cart sheds
Vide G. O. No. 1492 W dy
28th May 1890 ——— Rs. 1240.

Retroofing the Military Hospital at Vizianagram – Vide G. O. No. 449 W dy 11th February 1890 ——— Rs. 1275.

No animals are proposed for the marginally noted items as the balance of the Estimates for their completion being small, will it is understood, be provided from the amount that will be held in reserve by Government for incomplete

16/2586-16

minor & plate major and minor works.

4. The only work entered in the Class B list for which an allotment of funds is proposed, is that of constructing a shed for Transport animals at Malapuram, for which it is hoped, no grant will be secured, it being very desirable that cover should be provided for the animals at an early date.

I have the honor to be,
Sir,
Your obedt. Servant,

J. H. Eye – Colonel:
Offg. D. G. M. Genl.

READ the following

Letter from the
Quarter Master General No. 416 Mw d/ 9 Septr 1890.

Ordered that the schedule of requirements for 1891-92, on account of ~~Imperial~~ military works in charge of the Public Works Department, be forwarded to the Government of India, Military Department.

H.S.
29/9/90.

2. An Estimate amounting to Rs 31,360 for constructing 7 barracks with subsidiary buildings for the accommodation of 30 men at Calicut was submitted to the Government of India for

For approval with
letter No 1339 dated
12th May 1870. An
allotment of Rs 20,000
has been provided
for the work in the
current year's ~~Estimate~~
Military Works
budget Estimate, and
provision is now made
in the Schedule for
the balance of the
estimate, viz Rs 11,5 Co.
5. An allotment
of Rs 2,824 has been
entered in the Schedule
against item No 2
"Constructing a shed
for transport animals
at Malapuram",
as the Quarter Master
General proposes
that it is very
desirable that cover
should be provided
for the animals at
an early date
4. All the works
under Class C brought
forward

4P

18/2801

forward by the Quarter
Master General have
been included in the
Schedule with the
exception of the following
each of which is a
minor work and
forms a separate
project of itself.

(1) Quarters for
Sergeants of the Army
Hospital Native
Corps, Calicut — 1,900

(2) Quarters for
Privates of the Army
Hospital Native
Corps, Malapuram. 1,670

(3) Cook Quarters
for the Hospital Purveyor
at Cannanore — 1,326

(4) Quarters for
Hospital Purveyor
West Hill barracks,
Calicut. — 1,163

(5) Quarters for
Hospital Purveyor
Malapuram — 1,200

5. Provision has
been made in the
Schedule for all the
minor works brought
forward by the
Quarter Master
General

General, and Res class for those referred to in para 4 of these proceedings.

6. The allotments for 1891-92 required for the undermentioned works, will be provided from the reserve with the Government for incomplete major works.

(1) Erecting a Verandah to the north face of each of the two bullock and cart sheds in the Transport lines at Calicut. Rs 1,240

(2) Reroofing the Military hospital at Vizianagram. Rs 1,275

7. The Supdg Engineer concerned will lose no time in submitting sanction plans & estimates for the unsanctioned works included in the schedule.

8. The demands on account of Ordnance and Ordnance Buildings have not been included in the schedule, and it is presumed that a special grant will be provided for those works on the application of the Director General of Ordnance.

H.E. No 2561 W dated 29 September 1890.

Forwarded to the Government of India, Military Department.
