for 6 months leave on urgent
private affairs; I hope that
you will recommend and
forward it as soon as possible
as I am most anxious to
know about it for certain.

I put off asking for it until
now thinking that I had

regret it so much that if
I cannot get leave I have
almost made up my mind

that I must

have leave.

being transferred and whether
it would be better for me

Read the following:—

From the Suptg Engineer to Circle, No 6582, dated 13 January 1890; forwarding an application from Captain W.D. Lindley R.E., Executive Engineer 4th Grade, Temporary, for six months leave on urgent private affairs.

FOR ORDERS.

In connection with the present application for 6 months special leave from Captain Lindley R.E. please read my note current No 8691 of 1889 put up with G.O. No 2768 W, dated 2nd October 1889. The last confidential report by the Suptg Engineer upon this officer states that "Captain Lindley is much given to loafing."

Capt. Lindley is very unfavourably reported on and is not entitled to any concession at our hands. He will it seems be eligible to furlough only on medical certificate on 13 Feb. 1890. The private affairs alleged are not apparently very urgent. I would refuse the leave, as recommended by the Chief Engineer.

no intention of recommending this leave. Capt. Lindley is just a Surplus Officer to the Co. R.E.
The 1.90

'evading his duties
'and his services are
'unsatisfactory', and
shows that instead of
improving this officer
has steadily deteriora-
ted in all points
that go to make up
a useful Public
works officer.

If this leave is
denied him he states
that he will be forced
to revert to Military
duty, a consummation
devoutly to be wished,
as he has not the makings
of a good Public works
officer in him, and
clearly wants to make
use of the Department
and its leave rules
— convenience

for obtaining a higher
rate of pay, and more
leave than would otherwise
be granted to him were
he in Military employ.
On these grounds I
cannot recommend
that the leave asked for
be granted. I have
not the least desire
that Captain Lindley
should be retained
in the Department and the
alternative course stated
by him of reverting to
Military duty should,
I think, be forced upon
him by the refusal of
this leave.
