Office of the Consulting Architect to Govt.,
Chennai, Madras,
1st October 1890.

No. 2047

From

Henry Swin, Esq., C.I.E.,
Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department.

Sir,

Enclosures.

With reference to Chief Engineer's Memo. No. 3890 c dated 26th September 1890. I have the honor to report that as already represented to the Examiners the overdraft during the month of July 1890 was exceptional. The facts are as stated by the Examiners except that it was too late on the 31st to obtain additional credit even had I applied to the Examiners. As a matter of fact the cheques were drawn before I discovered that the credit would not quite cover the amount. It was therefore thought that the contractors ~~might~~ be settled with more especially as the cheques had ~~been~~ issued after the bank time (i.e.) 3 O'clock, they could not be cashed on the 31st July 1890 and would not, therefore, result in any overdraft.

2. I have, however, made necessary arrangement to avoid such overdraft and I am

see that in such cases timely application is made
to the Examiners for the required funds

I have the honor to be
Sir
Your most obedient servant

Henry Innes
Consulting Architect
to Governments.
