Proceedings of the Board of Revenue

(Separate Revenue).

Dated 24th June 1890.

No. 1886, Mis.

Mr. H. W. Blair

Resolution

The Board begs to suggest to Government, the desirability of the establishment of a telegraph office at Cannore, or rather at Mattuakham, which is the place usually known by Europeans as Cannore and the site of a post office. A telegraph office there would often be most useful for departmental purposes and there can be little doubt that as soon as the sale of salt begins there, the telegraph will be constantly in requisition by private persons for the purposes of their own business.

It is believed that a telegraph office
worked in Combination with a post-
office Can be cheaply maintained,
So that the Board thinks that an
office at Mattuakkam would
probably pay.

2. If this suggestion Commends
itself to Government, the Board
requests that the necessary instruct-
ions may be issued to the Telegraph
Department.
