GOVT., N.-W. P. AND OUDH,
PUBLIC WORKS DEPARTMENT.

BUILDINGS AND ROADS BRANCH.

Yamunah
DATED AMRITSAR, THE 4th AUGUST 1890.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

WITH reference to the correspondence ending with this Office No. C.1133B.R., dated the 10th May 1890, I am directed to forward, for the information of the Government of India, copies of a statement showing the area and cost of typical selected buildings and bridges in these provinces.

I have the honour to be,

Sir,

Your most obedient servant,

T. H. WICKES,

Joint Secretary.

Nos. B.R. of 1890.

ORDERED that copies be forwarded to the several Governments, Administrations, and Officers noted below, for information :—

Governments of Madras, Bengal, Bombay, and Panjab, Public Works Department.

Secretaries to Chief Commissioners, Central Provinces, Assam, and British Burma, Public Works Department.

Secretary to Agent, Governor-General, Central India and Rajputana, Public Works Department.

Secretaries to Government, North-Western Provinces and Oudh, General and Oudh Revenue Departments and Public Works Department, Irrigation Branch.

Superintending, Executive, and District Engineers, and Examiner, Public Works Accounts, North-Western Provinces and Oudh.

Division
Offg. Under Secretary P.W.D.
Executive Engineer. N.W.P. & Oudh

Govt., Prov., N.-W. P. & O.—Sec. B.—22430.

62534
The Secretary to the Govt. of Madras P.W.D.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:-

From the Director of Public Instruction, Madras,
dated 8th July 1890 & 12.6.90.

In para 6 of my Proceedings of 2.5.89 dated 30th May 1890 reviewing the report on the College of Engineering for 1889-90, I referred to the poor results of the Engineer Subordinate class at the final examination. The failure is attributed by the Board of Examiners to the low general attainments of the students comprising the class. This is not the first occasion in which such a complaint has been made. Both as regards the M. S. section of the Medical College and the Engineer subordinate section of the College of Engineering it has been brought to my notice over and over again, not only by the College authorities but also by the Board of Examiners, that the standard of admission to the Matriculation Examination is too low. Often it is not possible to understand the lectures. I requested the Principal, College of Engineering, to report if it is not desirable to demand a pass at the Upper Secondary Examination.

Examination of the First Arts of the Madras University) as a condition of admission to the Engineer subordinate class. Captain Love concurs generally in the proposal but considers any abrupt change in the standard at present detrimental to the interests of the College. His fears are, I think, well founded. He however proposes that article 11 (7) of the College Rules should be slightly modified so as to give a preferential claim for admission to the Engineer subordinate class, to men who have passed either the Upper Secondary Examination or First Arts Examination of the Madras University. This recommendation I fully approve of as it will go some way, if given effect to, towards securing a better class of men for professional training. But the fact must not be overlooked that under the operation of the notification of the 20th Jan 1889, only such candidates as have passed the Upper Secondary or even Higher Examinations will hereafter be eligible for superior employment under Government although they obtain the College certificate. I think, however, that the restriction should not be enforced at present, and should the Government approve my proposals in regard to the College of Agriculture (Letter of 2nd 6908 dated 7th July 1890), I will submit a recommendation to treat Matriculates of the Engineering College somewhat similarly. I beg to request you, however,

etc. etc.

however, that the sanction of Government may be obtained for the following addition to article 11 (7) of the College rules -

2618/3
Candidates who have passed the Upper Secondary Examination or the First Arts Examination of the Madras University will secure admission in preference to Matriculates.

Order: - 12th September 1890 No. 630.

The proposed addition to article 11 (7) of the College Rules is approved. The Director will submit the requisite notification for publication in the Fort. St. George Gazette.
