No. 257 2636

Exc Engineer's Office Godavari
Western D^y 27th August 1890

From,

B. H. Young Esq^r
Exc Engineer Godavari W. D^y

To,

The Sup^r Engineer 1st Circle.

Sir,

With reference to your docket No. 785 G. D. of 18th July 1890, I have the honor to report that on receipt of the statement of lands furnished by Delta Superintendent S. Hanakachellum in April last, it was so evident that he must be moved from his section owing to his relations having purchased lands within that section, that I wrote again to enquire what lands he or his relations held in other Taluqs of this the Central Delta & in reply statement B (accompanying) was submitted.

2. This call seemed necessary, as it was impossible for me to know otherwise, where to transfer him.

3. The Delta Superintendent explains, a his reason for not mentioning these lands before, was because he had hitherto been asked to give a list of lands ^{in his section} in which he had a personal interest. He declares that excepting the lands owned by his wife, which are a considerable distance from his Section,

he has no personal interest in lands mentioned in either of these statements.

4- I will however shortly transfer him to a section in which according to these 2 statements none of his relations own lands at present.

I have & see & see
