No. 366 S.E.

TRICHINOPOLY DIVISION OFFICE,

Camp Trichinopoly

Date 15 September 1890

From

M. R. S. S. Nalaganama Esq.

Offg. Executive Engineer,
Trichinopoly Division.

To

The Superintending Engineer,

VI Circle,

Trichinopoly.

Sir,

I have the honor to report that under the Dis Lett No 47 of 10th September 1890 from the salary Bill of this Division for August 1890 - Item No 1, I lose the pecuniary advantage of Rs 50 a month being the extra pay of my temporary promotion of Sub Engineer 3rd grade from the Separation 1st to 2nd grade.

SE Official Trichinopoly.
No 676 recd 17 September 1890
579

Submitted through the Examiner P.W. Accts to the Chief Engineer P.W. Orders.

2. Nalaganama Esq. certainly does not appear to benefit much by his being made to officiate as Executive Engineer, although his charge and responsibilities have been considerably enhanced - In

My officiating allowance I beg to state comes under "Special allowances" Article 142 which reads that Special allowances may be granted in addition to pay by the Local Government and under (a) to a subordinate officiating as an Executive

of Rs 30 is not in any way adequate to the duties devolving on him as offg Executive Engineer. This case requires favorable consideration.

3. Under the old rules an offg Executive Engineer could draw travelling allowances at Rs 5 a day, but under the existing rules the allowance to this officer appears to be regulated by the pay actually drawn.

Submitted to the Supt Engineer 11/10/90

26/5
Engineer Rs 100 - so that I am of opinion that I am entitled to my pay in the present rank viz Sub Engineer 3rd grade i.e. Rs 200 plus Rs 100 = 300 -

3. The Examiner refers to Article 106 and has disallowed the difference of Rs 50 between the pay of a Separation 1st grade and Sub Engineer 3rd grade temporary rank. I submit that my case does not come under this section as the increased allowances refer to acting on charge allowance - and not to special allowances - Besides I have already lost the Sub Divisional allowance after being nominated to officiate as Executive Engineer. There I am virtually gaining Rs 20 as follows for the charge of the Divisional work with prejudice to my legitimate duty as a Sub Divisional Officer -

In the present position
Superior 1st grade Rs 200
Officiating allowance Rs 100
30

In the position of a Sub
Offg Engineer
Pay as Sub Eng 3rd grade Temp. Rank 250.
Sub Divisional allowance 30

Forwarded for order letter
from the off^r Secy. Engr. Secy.
Chinapoy^r requesting to
allow officiating allowance
in addition to the present
pay —

No. 5792 of 29.9.90

To E.W.

Forwarded with the remark
that, Civil Service Regulations ar-
ticle 142 clearly states that in
the cases referred to therein, the
special allowance of Rs.100 may
be granted in addition to pay which
is the pay of the officer's sub-
stantive grade. This was what was
passed to Mr. Kalyanarama Aiyar.

2. Mr. Kalyanarama Aiyar can claim
travelling allowance as an Execu-
tive Engineer instead of ^{as} Sub Engi-
neer.
