Your office note no.
4988 dated 19th August 1890.

From the Accountant
General's letter it appears
that the necessity or
otherwise for a horse box
in circumstances in which
it is permissible to carry
a horse at the Government
expense by sea is a matter
with the discretion of the
authority who sanctions
the carriage of the horse.
As power has been delegated

as he draws only \$24, and this
will of course put him to great incon-
venience.

Under these circumstances I
request your sanction to have the
above amount recovered from his
pay in 6 monthly instalments.

I have the honor to be,
Sir,
Yours most obedient servant,
Wm. H. Murphy
