Read—the following papers:—

From G. B. LAMBERT, Esq., Executive Engineer, Coimbatore Division, to the Superintending Engineer, IV Circle, dated Coimbatore, 8th September 1890, No. 4242.

With reference to your memorandum No. 524 C.I., dated 3rd July 1890, I have the honor to report that at present the amount advanced by the Sub-division officers to lascars on account of railway fare is debited to Miscellaneous Advances. If the clerks of the Sub-division offices are allowed to have a small imprest of Rs. 10 to meet such charges, the elaborate accounting of several items in the schedule of Miscellaneous Advances will be avoided.

No. 362 E.W.

Copy forwarded to the Examiner of Public Works Accounts with a request that he will be good enough to obtain the sanction of Government, if necessary, to entrust the Sub-divisional clerks with a small imprest of Rs. 10 to meet the charges of railway fare to lascars.

2. The undersigned is of opinion that this arrangement is within the powers of Superintending Engineer to sanction under para. 1573 of the Code, but it is considered advisable to make this reference as G.O., No. 124 W., of 12th January 1888, only referred to head clerks of Division offices.

Coimbatore, 10th September 1890. (Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E., Superintending Engineer, IV Circle.

Office note from the Examiner, Public Works Accounts, dated 30th September 1890, No. 5811.

Forwarded for orders of Government. There appears to be no objection to Sub-divisional clerks being entrusted with imprests of Rs. 10 for the purpose stated, and the arrangement will save trouble.

Order—dated 14th October 1890, No. 2694 W., Public Works.

Sanction is accorded to Sub-divisional clerks being entrusted with imprests of Rs. 10 for the purpose of meeting advances to lascars for railway fare.
