GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepak, 18th September 1890, No. 1913.

I have honor to report that the premises known as "Grasmere" was vacated on the 27th June last and made over by the Honorary Secretary of the Civil Orphan Asylums in person to the sub-divisional officer in charge of the works with the key of the house. The premises have since then been in possession of this department and a watchman employed to take care of it. The Honorary Secretary now requests me to return the key, a copy of his letter on the subject is herewith enclosed.

2. I beg to mention that all the works at the Asylums sanctioned in G.O., No. 979 W., dated 27th March 1890, have been completed, with the exception of the demolition of certain old buildings, closing entrance between the grounds of the Civil Orphan Asylum and Grasmere and reopening the original gate of the latter on Police Commissioner's Road. These works were authorised and admitted by Government and would have been completed had the Asylum authorities not stopped the work.

3. With reference to the Committee's resolution regarding the proper completion of the work, I may state that it was executed in accordance with the plan and estimate sanctioned by Government and countersigned by the Honorary Secretary; some extra works are now asked for in connection with the coach-house and stables, which may be necessary, but which I am not at liberty to execute without the sanction of Government, as the limit of the final estimate referred to in the Government Order above quoted will be exceeded thereby.

4. I may add that Grasmere, as stated in my letter, No. 1029, dated 30th June 1890, can legally become the property of Government only after the deed of conveyance is executed, which I am now informed cannot be done until the return of the Lord Bishop of the Diocese in November. But as the premises have been already taken over by this department, at the request of the Secretary, I feel I cannot relinquish possession without Government sanction.

ENCLOSURE.

COPY of a communication from the Honorary Secretary, Civil Orphan Asylum, to the Consulting Architect to Government, dated 16th September 1890, No. 523.

In reference to letter No. 795 of 1st September from the Assistant Engineer in charge, South Sub-division, suggesting my communicating with the Consulting Architect in respect to the key of "Grasmere" being returned, and adverting to this office letter of 5th instant in reply to your No. 1737 of 2nd idem; I have the honor to state that the resolution of the Directors of this institution, contained in proceedings of their meeting of 29th ultimo, should have been added to the above letter from this office, viz., that "the Secretary is requested to take over the coach-house, &c., when properly completed, and to request the Public Works Department to return the key of "Grasmere" pending completion of the "Deed of conveyance."

2. With reference to the above resolution, I beg to request that the key of "Grasmere" be returned at an early date.

ORDER—dated 14th October 1890, No. 2700 W., Public Works.

The Government considers that the Public Works Department should have immediate access to "Grasmere" for the purpose of placing the building in proper repair as directed in G.O., Educational, No. 589 of 19th August 1890.
