OF THE POSTMASTER.

MADRAS CIRCLE.

Madras dated 29 September 1880

From

C. A. STUART, Esq.

OFFG. POSTMASTER GENERAL, MADRAS.

To

The Secretary to Government
Public Works Department
Madras

SIR,

An estimate for Rs 129 for repairing
the Post Office building at Peopally
in the Kurnool District was received
from the Executive Engineer, Kurnool,
through the local Superintendent of
Post Offices, who reported that the former
desired him to apply for the necessary
funds from the "Minor Works" Grant
at the disposal of the Director General
of Post Office, as there was only a balance
of Rs 46/- available out of the "Repair"
Grant at his disposal for the current
Year.

2. As the building is so badly in need of repairs that the Executive Engineer is of opinion that the repairs are necessary to make it habitable, and as the work cannot be provided for from the "Repair Grant", I addressed the Director General of Post Office on the subject who in reply has stated that "Repairs to Poppally Office cannot be sanctioned from Minor Works Grant, which is for original works see rule 192 Chapter 5 P.W. Code India" and suggests

that an application for the same be made to the Madras Government.

3. I have therefore the honor to request that you will be so good as to move in the matter and obtain the necessary sanction for providing for the work in question, which is of an extremely urgent nature.

I have the honor to be,

Sir,

Your most obedient servant
