GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

ACCOUNT.
General.

To The Secretary to the
Government of Madras,
Public works Department.

Simla the 30th September, 1890.

Sir,

The Government of India having received several applications for additional grants for urgent civil works, which cannot be met for want of funds, I am directed to enquire whether any lapses from existing grants for "Imperial Civil" and "Irrigation works, other than "49", are likely to occur, and if so, to request that a report may be submitted with as little delay as possible, showing what sums can be surrendered, in view to the money being utilized elsewhere.

2 I am to add that it is too often the practice to surrender funds at the close of the year, when arrangements cannot be made to utilize the money with advantage.

I have the honour to be,
Sir,
Your most obedient servant,
Avecchee
for
Offg. Secy. to Govt of India.
