Division, N^o 6 dated 10th September 1892

2731
As my health has been completely broken
down owing to the diseases of fistula and piles and
various other debilities of health. I have the honor
therefore to solicit your favor of forwarding this
my application to the Superintending Engineer with
a request that prior to my transfer from here
I may be kindly granted furlough for 6 months
to recover my health; and without leave it
is difficult for me to operate the fistula and
to cure it.

In conclusion I might state that during
the 19 years of my service, I have not ever
got any sort of long leave

Endorsement N^o 1025 E on the above by the
Executive Engineer, Mellore Division.

Forwarded to the Superintending Engineer
for orders. I have directed the baboo to send
in a medical Certificate and informed him
that his application has been sent on but
that he is not to consider that the forwarding
of this application amount to a provisional
