Mps | apparently the draft order on Civ 9048 covers the requests in this paper. It is possible however that major Smuts present explanation must be studied on his journey back to the West Coast in obedience to orders, may affect the decision.

Major Smuts had no intention of proceeding to the N. coast via Pretoria & I do not think his arguments can be accepted.

From Major A. W. Smart R.E.
Executive Engineer
South Arcot Division

To
The Superintending Engineer
Trichy

Sir

According to notification No. 651 published in the Fort Saint George Gazette dated 22nd April 1890, I was to relieve Colonel A. F. Fraser by the 15th May 1890 at Calicut I gave over charge of the South Arcot Division to Mr. Peters and arrived at Madras on the 13th and there being informed that my transfer to West Coast division was cancelled I returned to Cuddalore on the 15th May 1890 morning.

2. The Examiner has disallowed the Railway fare claimed from Cuddalore to Madras and back on the 12th & 14th

May

May 1890 for want of Sanction of Government for the route taken while that via Erode is the shorter one. I have therefore the honor to request that you will be good enough to obtain the Sanction of Government for the route taken by me under the circumstances above Stated. If I had gone by Erode the charge against Government would have been a great deal more than I now claim, as in this case I would have reached the end of my journey before receiving intimation that my transfer had been cancelled.

I have the honor &c
