As the non-publication of these notifications will cause a delay of a week and time is of great importance I should be glad if a Gazette Extraordinary could issue.

No. 390 Madura Collectors Office
27th September 1890

L. R. O'S GEN. REG. No. 3184 OF 1890
LAND REVENUE

2763/7

From E. Turner Esquire, 2763/7
Collector of Madura.

To
W. A. Sim Esquire
Acting Secretary to the Commissioner
of Land Revenue
Madras.

Sir,

With reference to Board's Proceedings dated 12th and 22nd September 1890 Nos 5860 and 6084 Dis, I have the honor to request that the Board will be pleased to move Government to publish at an early date in the Fort St George Gazette the draft notifications submitted with the above and similar ones as the Executive Engineer No. II Periyar Division states in his letter to the Deputy Collector Madura Division No. 175 Dr of 1790 that the land required for the IV Branch channel has not been

been acquired even yet and our expenditure suffers thereby. I request therefore that means be taken to hasten its acquisition as well as the lands required for the VI and VII reaches. There is a good deal of hard soil in the VI reach which could be advantageously excavated now and I am anxious therefore to acquire the land.

I have the honor to be
Sir
Your most obedient Sv.
G Lawer
Collector.
