GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From the Superintending Engineer, VI Circle, to the President, District Board, Tanjore, dated 29th September 1890, No. 1296 T.J.

With reference to your letter No. 1542 of the 23rd instant regarding the grant required for raising road No. 51 along the right bank of the Harichandranadi river, in the Negapatam division, I have the honor to inform you that the sum of Rs. 1,770 shown in the statement printed in G.O., No. 2075 W. of the 31st July 1890, is exclusive of the prescribed centage for establishment and tools and plant, which amounts to Rs. 434, while the sum of Rs. 2,204 applied for in my No. 216 T.J. of 1st May 1890 includes the above centage.

2. As the work proposed is special repair, it is considered necessary that the prescribed centage for establishment, &c., should be contributed by the Local Fund Board, but it is not understood why the same has been omitted in the Government Order above quoted, although it was included in the statement of incomplete works submitted from this office.

No. 1297 T.J.

Copy forwarded to the Chief Engineer, Public Works Department, with a request that he will be good enough to inform the Superintending Engineer whether in the case of *special* repairs, similar to the one above mentioned, the prescribed centage for establishment, &c., is to be contributed or not by the Local Funds. G.Os., No. 2330 W., dated 8th October 1885, No. 2743 W., dated 16th November 1885, and No. 374 W., dated 4th February 1890, appear to apply to upkeep or maintenance of roads.

TRICHINOPOLY,
29th September 1890.

(Signed) A. C. SMITH, Lieut.-Colonel, R.E.,
Superintending Engineer, VI Circle.

ORDER—dated 20th October 1890, No. 2770 W., Public Works.

The Government considers that no charge should be made for Public Works supervision in the case of original works or repairs connected with roads running along tank or river bunds in the Tanjore district.

Note 27/10/90

In the accompanying letter the Superintending Engineer, Trichinopoly, has to be informed that in the case of petty repairs to roads running along the banks of tanks the ordinary charges for supervision should be debited to the Local Fund Board concerned.

2. The question raised in connection with the funds required for repairing Road No. 21 along the right bank of the Agastheeswaram tank, Div. 5 in the Negapatam District. The Superintending Engineer in his No. 2161 dated 1st May 1890 (G.O. No. 2075 W dated 31 July 1890) when applying for

Fund Board, but it

and in which the percentage for P.W. Supervision were not charged.

3. In the office note from the Chief Secretary dated 1st October 1885 on which G.O. No. 2338 W. dated 8th Oct. 1885 was passed, it was proposed that no charge should be made for P.W. Supervision in the case of roads or paths connected with roads running along tank bunds. It is therefore clear that no charge can be charged in the case of the specific repairs to the road under reference.

Draft order submitted for approval.
