COIMBATORE.

Sir,

With reference to your *Endorsement* *N.O. 679* dated *23^d December 1889* on Chief Engineer's Memorandum *N.O. 5996 C* of *21st December*, I have the honor to state that I require an additional grant of Rs. 4475 under Tools and Plant, necessitated by the retention of the cattle and carts to end of March 1890, for the following reasons which I have, already, brought to your notice in my statement of objectionable items for November 1889.

I sale of cattle and carts by public auction as directed in G.O. *N.O. 1908 W* of *16th July 1889*, just at this time of the year is not considered *favourable*.

favourable for realising good prices.

2. It will be more economical for Government to keep them on a little longer.

3. Works would suffer if they are sold at once.

II. The above additional grant has been applied for in my statement of surrenders and demands, which will be submitted in a day or two.

I have the honor to be,

Sir,

Your most obedient
