Letter from

To

**HIS EXCELLENCY THE RIGHT HON'BLE
THE GOVERNOR IN COUNCIL,**

Fort St. George.

*The humble Petition of MUNNUM. SESHACHELLUM NAIDU,
Assistant Master, Government High School, Hyderabad (Deccan),*

MOST RESPECTFULLY SHEWETH,

That your Excellency's petitioner is a Native of Madras, born, brought up, and educated there, but now cast at some corner of Hyderabad by the changing tide of fortune.

That the petitioner is at present serving as a teacher in H. H. the Nizam's Educational Department with little or no prospects, chiefly owing to the ordinary standard of education which the petitioner has received.

That, to make up for the deficiency which the petitioner has sustained in the way of general education, the petitioner has been hatching up the scheme of going in for some of the Special Test Examinations under the rules of the Madras Government, the Account Test being first chosen by the petitioner as being productive of immediate benefit at the place where the petitioner is at present serving.

That, even in this direction, the petitioner's course is not without some obstacles which are only of a moveable nature, and which can, therefore, be easily got over by special concessions which one is sure to expect from the hands of a benign Government like that of the British.

That the clause (L), para 4, of the Revised Rules relating to 4th Grade Accountant's Examination, requires the production, among others, of a "certificate that the Candidate is under 25 years of Age (not required if Candidate is in permanent Government employ)".

That, sad to observe, even though the other conditions are satisfied, yet the petitioner is kept back from rising to the desired pitch for this one reason, namely, that he is now over 25 years of Age.

That this condition, formal as it is, impedes the petitioner's course as much as any positive disqualification can do, and thus keeps him from attaining his end in spite of his earnestness and sincerity.

That the petitioner, therefore, most humbly and most respectfully begs that it may please your Excellency to make a special concession in his case, and to allow him to appear for the 4th Grade Account test to be held in September 1893 in spite of the condition aforesaid, and thereby to enable the petitioner to accomplish his long cherished object and to stand his own chance of success in the line of profession which he wishes to follow in this Native Government.

[The petitioner is a Matriculate of the Madras University, and is in every respect perfectly qualified for the said Examination.]

For this act of kindness the petitioner will ever pray.
