For orders with reference to the Hon'ble remark.

Hon. S.E. requests for sanction because the articles are of English manufacture. He might perhaps be requested to report whether the proposed expenditure be proper or not, or the Govt. might authorise the purchase of one rose worth Rs 15.

I have altered the wording of the order, & I see that the Govt wishes that the proposed purchase should be made in spite of the rise in prices.

Sir,

I have the honor to solicit sanction for the purchase of Marion's Ferro-Prussiate or Blue Roces from Messrs J. Neuberg & Co Bombay. It is said to reproduce very quickly Drawings, Patterns, Plans &c by simply using the prepared paper Light & Water.

2. The price of each roll measuring 32 ft long by 29 inches wide is Rs 15, exclusive of carriage charges &c. I want to try the above process in taking copies of Plans &c. I believe it is used by the Railway companies.

I have the honor to be
