REMARKS.

This estimate has been framed with reference to Item 6, Part I, Class A, works of the Provincial Budget for the year 1892-3 & 4, provides for construction of a First Class Taluk Office with sub-aiding buildings at Nandigama in the Krishna District, as per Type design circulated in G.O. No. 3023 in dated 11th November 1891. For tiled roofs.

The estimate provides for the following items:
 Construction of the main building, Cook house, latrine, fitting wooden work racks to main building, sink

Gate with pillars, fencing as around the compound, clearing site & forming roadway.

No compensation for land is provided as the site selected is stated to be Govt. land.

No details are submitted to examine the estimate but the Sd in forwarding the accompanying estimate to the Collector states that the details forwarded for the Taluk Officer at Masulipatnam with his No. 708 of 13th June 1892 will also serve for this office. The estimate for Masulipatnam Office is awaited.

Many of the rates cannot be checked as the Provincial schedule is very meager, owing to many of the items not being filled in but data in support of the rates are submitted.

The dimensions for doors & windows are not in accordance with Appendix C to Standard Specification, the measurements being from outside to outside of frames, according to the printed estimate which is now being revised by the Comd. Architect.
