such as Burma &c as is the case with
clerks in the Commissariat Department,
for even before the transfer really
took place. Colonel Tomkins R.E.
Superintending Engineer Military Works
Department has called for a Clerk
from this office to accompany him
to Burma on circuit for a month.

That when your petitioners first
entered their service, they never expected
that people of the Public Works Depart-
ment would be called on to proceed
to Foreign Countries and they were
fully confident that they would
complete their services in this Presidency
only.

Burma is very far from this
country taking about a week's voyage.
Your petitioners are not accustomed
to go on board-ship, where it is very
inconvenient for people of their caste

to

to cook, dine &c without coming in contact
with other caste people, which is very
objectionable among their community.

Your petitioners further beg to bring
to your honor's notice that in the case
of Officers and Upper Subordinates,
they were asked to state whether they
would be willing to join the Military
Works Department but no such con-
-cession was offered to them.

That considering these difficulties
and inconveniences, your petitioners
humbly beg your honor will be pleased
to provide certain conditions in the case
of transferring them to the Military
Works Department viz

That they should not be liable
to be transferred to Burma under any
circumstances or be taken there even
on circuit by the Superintending
Engineer, that your petitioners

From the Supply ~~Div~~ Circle No 6858 of 22.1.90.

The divisions are being abolished
and the clerks may take some
reimbursement because if they leave
they must be kept as clerks
temporarily. They must be kept
at once.

Mr.

I can not send me into
the supply papers.

If the clerks
and draftsmen of
the Presidency division
office are unwilling
to accept service under
conditionally in the
Military Works Dept.
the only alternative
are for them to resign
their appointments or
to be discharged under
the rules for reduction
of establishment.
