FROM

THE EXECUTIVE ENGINEER,

CHINGLEPUT DIVISION,

TO

THE SUPERINTENDING ENGINEER,

5TH CIRCLE.

SIR,

Enclosures

I propose subscribing 5 per cent of my salary to the Civil Engineer's Provident Fund. But before doing so I have the honor to enquire whether I should be given the option of converting my subscription into Sterling Money at stated periods so as to take advantage of any favorable rate of exchange that may exist.

It would for instance be obviously to my disadvantage to subscribe now with the value of the rupee nearly if not quite as high as it is ever likely to be, and to get my money back with the exchange at perhaps 15. 4 d. Four percent compound interest would not sufficiently compensate for such a depreciation.

I have the honor to be

Sir

Your most obedt. St.
