24. I have the honor to bring to
your notice that on the 8th August 90
Post Engineer Mr. Gopala Rao and
Inspector Garamani Tumor were assaulted
by some of the ryots of Manarkulam
village at the (alleged) instigation of Aboor
Mahammed Sahib, Contractor for Manarkulam
Tank in Tirunelveli Minor Basin, on
their way back to Tirunelveli after
inspecting the tank.

2. There has been some opposition from the ryots of Vagurim, the lands of which village extend into the bed of the Manarkhula Tank, to carrying out the proposed improvements and in view of averting any possible breach of

the place, it would appear that the Subd.
Officer had ordered the Contractor to stop
work until he or the owner could manage
be present on the spot.

The Contractor disobeyed orders and
was proceeding with the work and on this
matter being reported to the Asst. Engineer
he proceeded with the Ministry to Manarkulam
and found that the Contractor has been and
was doing some work.

4. The Asst. Engineer again directed
the Contractor to stop all work, but the
latter paid no heed to what said and is
reported to have been rough and disrespectful
in behaviour towards the Asst. Engineer.

5. At a little distance from the tank,
the Asst. Engineer was met by some
ryots of Manarkulam who at first
let him pass unmolested, but a little while
after, returned, it is alleged, at the
instigation of the Contractor, having been
apparently misled by him into the
belief that the tank was not to be
repaired, stopped the Assistant Engineer
by hitting it violently in the face
and
