15TH JANUARY 1890, No. 7, MARINE.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper:—

From Captain H. A. STREET, Her Majesty's Indian Marine, Presidency Port Officer, Madras, to the Chief Secretary to Government, dated Madras, 19th December 1889, No. 147—542-G.

Near the telegraph cable house at Pámban is a building which has been in undisputed possession of the local Port Department for many years past. How this department came by it there are no records to show, but it is believed it was originally built by a Mr. Eglan, then Conservator of the Port, who left it in the hands of the Port Department. The building is now in ruins, the walls alone standing and is of no use to this department.

2. As the Superintendent of Immigration at Pámban offers to purchase the building for Rs. 150 for the purpose of reconstructing it as an office for the use of the Ceylon Government Immigration Department, I beg to inquire whether the offer may be accepted, and if so, whether it is necessary to reserve the right of re-acquiring at any time the ground on which the building is situated.

3. I may add that the Public Works Department's valuation of the building is only Rs. 120.

ORDER—dated 15th January 1890, No. 7, Marine.

There is no objection to the sale of the house as it stands at the valuation put upon it by the Public Works Department, but the site should not be disposed of. The Ceylon Government Immigration Agency may be permitted to re-erect the building on the present site on the condition that if it ceases to use it for emigration purposes, it shall revert to Government without payment of compensation.
