Government of Madras.

MILITARY DEPARTMENT.

Fort St. George, the 28th October 1890.

Read the following paper.

Memorandum from the Surgeon General with the Government of Madras, to the Secretary to Government, Military Department, No. 748, dated 15th October 1890.

Forwarded to the Secretary to Government, Military Department, for the sanction of the Right Honorable the Governor in Council.

From the Controller of Military Accounts, to the Surgeon General with the Government of Madras, No. 3972, dated 17th September 1890.

In returning your Memorandum No. 4615, of the 1st ultimo (with enclosures), I have the honor to suggest that Government be addressed with a view to the required supply being made if possible by the Ordnance Department.

2 If chest cannot be supplied by Ordnance Department, and it is obtained from the Public Works Department, no cash payment will be necessary, as the transaction will apparently be treated as a book debit by the Public Works Department, in accordance with rule XI (2) of the Resolution of the Government of India, Department of Finance and Commerce, published in P.G. No. 6512, dated 27th September 1888, but as the debit, when raised, will be compiled under Grant of Medical Store Depot. Contingent Expenses, I would inquire whether the

the Medical Store-keeper is prepared to meet the cost from the Budget provision under this head.

From the Principal Medical Store-keeper, to the Secretary to the Surgeon General, with the Government of Madras, No. 1740, dated, 2nd October 1890.

Your No. 6027, dated 26th Sept. 1890, forwarding correspondence for an iron safe for the use of this office, herewith returned.

I have the honor to return the Indent in duplicate for an iron safe for this office for favor of sanction.

As a safe cannot be supplied by the Ordnance Department and the supplied by the Public Works Work Shops, it should be procured from that Department

and the book debit when adjusted, can
be met by Grant 9. Contingent Expenses
referred to by the Controller

Order. The supply of an iron
safe for the use of the office of the Prin-
cipal Medical Store-keeper, Madras is
