14TH JANUARY 1890, No. 20, EDUCATIONAL.

GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From E. TURNER, Esq., Collector of Madura, to the Chief Secretary to Government, dated Madura, 12th December 1889, No. 51.

I have the honor to report that the durbar shed attached to the Tamkam bungalow in which I reside is the only place within the precincts of the compound thereof which can be used for holding office or for the occasional reception of Native officials or visitors. It is now out of repair and quite unfit for such purposes. The thatched roof all round the verandah of the bungalow in the second story, and that over the bath-room and over steps to the dome in the third story, are also decayed and leaky.

2. I therefore request that Government will be pleased to sanction the accompanying two estimates prepared by the Public Works Department for repairing the durbar shed and the thatched roof, amounting to Rs. 265 and 55, respectively.

3. The Government is aware that the rent of the bungalow (Rs. 100) minus 10 per cent. and Rs. 6 set apart for sundry repairs and the pay of the gardener, respectively, is remitted every month to the Registrar of the Madras University, and the accumulated balance to the credit of the Tamkam fund is in his hands.

4. The allowance of Rs. 10 per cent. for the usual repairs is, as has been already reported in my letter, No. 46, dated 28th August 1888, insufficient even to meet the cost of sundry repairs.

5. I beg to request, therefore, that Government will be pleased to sanction the estimates herewith submitted, and instruct the Registrar of the Madras University to place the amount of the estimates at the disposal of the Executive Engineer, Madura.

ORDER—dated 14th January 1890, No. 20, Educational.

The two estimates, amounting to Rs. 265 and Rs. 55, respectively, are approved, and will be transferred to the Public Works Department.

2. The cost will be debited against the Endowment fund in the hands of the Registrar of the University.
